**PHYSICAL EXAM NOTIFICATION**

Dear Parent/Guardian,

All students in Pennsauken are required to have documentation of a physical examination upon entry into school. According to New Jersey Department of Education regulations and school district policy, **this physical exam must be done by your family doctor.** Please have your doctor complete the attached Universal Child Health physical form and return it to school.

If you do not have a family doctor or you do not have health insurance for your child, please contact me at school for assistance.

Please sign the letter below for our files. Thank you.
