## MARCH

**Ms. Amanda**

**Room 212**

[amanda.davey@mpls.k12.mn.us](mailto:amanda.davey@mpls.k12.mn.us)

### UPCOMING EVENTS:

- We will be celebrating the 120th day of school on March 25th with a variety of reading and math activities.
- We will do an art project for Eid.
- Spring Break is March 28th - April 6th.

### AT HOME:

- Read for 20 minutes every night.
- Practice 3rd quarter sight words.
- Use Dreambox & Lexia on a device.
- Do weekly homework packet.

### OUR LEARNING SNAPSHOT:

#### LITERACY:

- Students will be reading and comparing texts about inventors and their inventions to understand how technology works. Students will also be reading and comparing texts about characters that make poor decisions in order to understand how we can learn from our mistakes.

#### MATH:

- Students will be using a variety of tools to explore 2D and 3D shapes. They will be identifying, describing, constructing, drawing, comparing and sorting them.

#### SOCIAL STUDIES:

- We will continue our mapping unit but with a focus on landforms and landmarks. Students will compare natural and human made structures and begin building structures of their own.

### REMINDER:

The park has been very muddy. Please send a pair of boots with your child so they can switch before and after recess.

Thank you!

New specialist rotation  
begins March 17:

Music & Gym
