

Duluth Preschool

What are the benefits of attending Duluth Preschool?

Strong bodies: We strive to spend at least one hour outside daily. We work to ensure families have access to healthcare and balanced meals offering health and nutrition services.

Strong minds: We implement an inquiry-based curriculum that encourages curiosity, collaboration, and communication in a play-based environment led by licensed teachers.

Strong families: We provide advocacy, support, and education to parents and caregivers. We partner with families to celebrate strengths and reach for goals.

Nature Based Programming:

All classrooms have access to nature play areas and rain gear.

Children enjoy fun activities such as snow shoeing, hiking, fort building and many other great experiences!

Spending time outside in all types of weather has many benefits for children.

- 4 classes per year participate in a 6-week water safety class at the YMCA
- 4 classes per year experience a 10-week BIPOC Artist in Residence program.

**these experiences rotate by site annually*

We are proud to be one of the first preschool programs in the state to earn a **four star rating** from Minnesota Parent Aware - the highest rating possible! Parent Aware's rating system helps parents find preschools and childcare programs focused on high quality early learning and kindergarten readiness.

For more information check out the parent aware website:

Frequently Asked Questions

- **Is my child eligible for Duluth Preschool?**

Children are enrolled based on their age as of 09/01. Enrollment is open for 3 and 4 year olds, but priority is given to children entering kindergarten the following year. In addition to age, priority is given to children who have experience with poverty, homelessness, foster care, and other factors that research shows can have an impact on school readiness.

- **How will I know my application is complete?**

You will receive an email from the enrollment office letting you know that we have everything required to be considered for fall placement.

- **When will I know if my child has a spot for the fall?**

Letters will go out the first week in June. If your child is not immediately placed in a classroom, they will automatically go on a waiting list. Openings often arise in the fall, and we continue filling vacancies throughout the school year.

- **If I have already submitted birth certificate to the school district for different programming such as Screening or ECFE, do I still need to turn it in?**

No. You need to submit it to the school district only once.

- **If I have already submitted address verification for older children, do I still need to turn it in for my preschool aged child?**

No. You need to submit it to the school district only once, unless you have moved. Address verification needs to be submitted each time you change addresses.

- **Does a child need to be toilet trained to attend Duluth Preschool?**

No. Staff will work with the child to achieve toilet training goals.

- **If I have a question about my application or enrollment, who should I call?**

Call the enrollment office at 218-336-8815, and speak to the recruiter.

- **How do I know what is my home school?**

You can call our transportation office at 218-336-8970, or use this link to determine which Duluth Public Elementary school is considered your home school:

Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations. Parents or guardians are not required to answer the federal questions (**in bold**) for their children. If you choose not to answer the federal questions (**in bold**), federal law requires schools to choose for you. This is a last resort—we prefer if parents or guardians complete the form. State questions are labeled as “Optional” and schools will not fill in this information for you.

This information helps improve teaching and learning for everyone and helps us accurately identify and advocate for students currently underserved. The information this form collects is considered private information. You can review the privacy notice to learn more about the purpose of collecting this information, how it will be used and not used, and how the detailed groups were identified. The privacy notice can be found in our [Frequently Asked Questions: Ethnic and Racial Designation Form](#).

Minnesota Language Survey

Minnesota is home to speakers of more than 100 different languages. The ability to speak and understand multiple languages is valued. The information you provide will be used by the school district to see if your student is multilingual. In Minnesota, students who are multilingual may qualify for a Multilingual Seal upon further assessment. Additionally, the information you provide will determine if your student should take an English proficiency test. Based upon the results of the test, your student may be entitled to English language development instruction. **Access to instruction is required by federal and state law. As a parent or guardian, you have the right to decline English Learner instruction at any time.** Every enrolling student must be provided with the Minnesota Language Survey during enrollment. Information requested on this form is important to us to be able to serve your student. Your assistance in completing the Minnesota Language Survey is greatly appreciated.
