Additional Agenda Items

Action Taken:

Indicator updates-- Nix reported that we are up to date on everything; only a couple that are needed; motioned to delete action step C2.01 (Nix and then Roberson) for differentiated small group support-- we did not get anything back from outside groups

Review parent night feedback; plan for May 12-- Ms. Bell has the feedback forms per the 1st grade team; informal feedback from team-- sessions were really good and enjoyable; feedback from parents and students was very positive; suggest next time maybe putting signs at the door in addition to the map to really know where things were; materials were not all here and ready, but teachers were able to adapt;

concerned about how much food was left-- consider doing some mini sessions to build up to a larger event with food; maybe do something on a Saturday; check the RSVPs against the order

For May 12-- in the past we have done some kind of EOG prep/fun activities (e.g. Jeopardies together to practice content); maybe a transition activity to hear from the next grade; ordering take home materials for the next grade level-- maybe a blend of both; EOG prep; get id

FAM-S process for SIP planning for 2023-2024-- will run through MTSS team this year since they want someone from MTSS team,

Neese motioned to close meeting; Johnson seconded. Closed meeting.
