Additional Agenda Items

Action Taken:

MTAC training-- Pence-- this team will serve as the team in case there are any challenges; PPT will be shared and questions can be sent to Ms. Pence

Parent Night reflections-- Atkinson

- **Survey results--** 2 say time is inconvenient; comments for other topics-- tutor to help with classwork, any programs, more family nights, any kind would be great, group activities during family night, performances, concert style, whatever is available, math, learning disabilities, all programs and parent nights are great; 98 families that signed in (maybe 20 families came in after doors closed); 100 surveys filled out; all food gone-- 350 boxes; discussed logistics of serving the food-- use the serving line or a different space; consider sending home the order of the performance so they know what time to get in there; maybe have their songs split up so they are there and engaged throughout; can we write a grant for sound system and lights; need to be sure to draft the ConnectEd messages and Dojo information so there is continuity of messaging; idea for December-ish next year a presentation of how to log in to the devices and how to access materials/sign off of on Acceptable Use Information
- **Next two nights:** February 23-- Black History tie in? Expand to be cultures represented in our school (Rooks/Roberson/Curtis have examples from their former school that they did as a fundraiser)-- Science Night (if we have the materials) and/or Math Night in NC Tools for Teachers with food at the end; and May 11-- prepare for your next grade K-2; 3-5 prepare for EOGs; Bell needs 6 weeks notice for food ordering. Please discuss with groups and see any feedback ideas.
