## Meeting Minutes

**Meeting Date:** 06/07/2022 - 2:45pm

**Title:** School Leadership Team

**Location:** Room 1

---

### I. Attendance

#### **Team Members:**

Mariah Allen, Erin Atkinson, Danielle Choiniere Hargrave, Angel Harper, Crystal Hill, Tara Mooring Roberson, Wykendra Parker, Shannon Peebles, Tosha Rooks

#### **Guests:**

Newly elected team members: Elizabeth Church, Vernon Johnson, Regina Gilyard, Ellen Neese, Stephanie Nix-Denmark

### II. Celebrate recent successes

- Awards all went well-- great turn out
- EL Department donated books to Harper and Neese's classes-- students got about 14 books each!
- 1st grade carnival celebration was great!
- Buffalo Presbyterian Church sponsored the Kona Ice truck for 3-5 grade students who were here all their days of testing!

### III. Review and respond to coaching comments

### IV. Approval of last meeting's minutes

Hargrave motioned to accept; Roberson seconded; all approved.

### V. Old Business

### VI. Indicators to Assess-Create-Monitor

*Indicators Assessed*

*Objectives Planned For*

*Monitor (updates made)*

### VII. Other Business

#### **Action Taken:**

**Elect chairperson--** Atkinson was nominated and unopposed.

**Select process manager-** Nix-Denmark was nominated and unopposed.

**Reflect on progress**

INITIAL DATA SUGGESTS: Reading-- 19% proficiency/gain of 6%; Math-- 13% proficiency/loss of 1%; Science-- 17% proficiency/gain of 3%; initial growth data shows growth in 3-5 reading EOG-- average of 7.6; 4-5 (3rd doesn't factor in growth) math EOG-- average of 5.95. Science a loss of 10.9. Overall school composite appears to have shifted from 15% to 17%. SIP goal was a 5% increase.

**Thoughts:** This year SS was a non-negotiable which took time from science at some grade levels. We need more hands on and scenario based lessons again. We need to make use of Education Galaxy and STEMScopes from day 1. We have K-4 LEGO Kits to use a well. Could we have any of the tutors be science specific this year?

#### ATTENDANCE:

Last year our Tier 2 and 3 was 58% (29.4% Tier 3; 28.6% Tier 2)

This year Tier 2 and 3 is 50.6% (21.3% Tier 3; 29.3% Tier 2)

**Thoughts:** We should start on the incentives day 1 (which we have planned to do). PAWS cart helped-- will start in cafeteria next year since being back in the cafeteria is a new thing for them. Asked if truancy will come back into place? We don't know yet.

#### DISCIPLINE:

This year:

- 373 referrals
- OSS- 76 days/59 occurrences
- ISS- 63 days/50 occurrences

Last year (partial remote year):

- 103 referrals
- OSS- 11 days/8 occurrences
- ISS- 5 days/5 occurrences

Before pandemic:

- 428 referrals
- OSS- 29 days/21 occurrences
- ISS—69 days/62 occurrences

**Thoughts for overall culture:**

- have an awards committee
- go back to honor roll breakfast quarterly?
- challenge students with math facts, etc.
- add back a Sunshine Committee
- Reinstate food at staff meetings
- Have a rotation of monthly workroom events

**Thoughts for behavior/lost instructional time:**

- PAWS cart really helped
- More training/PD with Gladstone
- ISS room?
- What can we do to help prevent more? Reverses suspension/bring parent in?
- Involve parents more in the school
- Set up buddy teachers on grade level for bouncing
- Focus on relationships-- restorative practices
- Have trauma informed practices training
- PBIS Celebrations quarterly/monthly?
- Reestablish PTA?

**VIII. Next Meeting**

Date:
