

Transportation Request for Child Care 2025-2026 School Year

Please complete and return this form if your child will be attending a before and/or after school childcare program within the district and requires transportation to and/or from the facility. If your child will be attending two programs (for example, Woodlot in the AM and Easy in the PM), two forms will be required. If your child will be attending an unlicensed day care, a signature from the childcare provider is required and eligibility shall be limited to the child's attendance zone. Please return completed forms to the Transportation Department and allow 5 days for transportation to be arranged once the request is approved. Applications submitted after April 1, 2025, will be approved if a route exists in the area, space is available on the bus and the district incurs no additional cost as a result of the change. A representative from the Transportation Department will contact you via email once transportation has been set up. Forms can be mailed to the District Office or emailed to Kreichard@eufsdk12.org.

Date: _____

Requested Start Date: _____

Child's Name: _____
