Motion made by: Neese
Seconded: McCain
Vote: unanimous
- Review & vote of previous meetings' minutes ~ March 15th's meetings were approved via electronic vote
- Recent Successes~ **4th grade introduced to capacity and Ms. Rickard pushed in to help create Gallon Man.**
 - 5th grade introduction on volume's CFA went well
 - Ms. Rickard ready to share new students' artwork; 5th grade wants their prominently displayed.
 - ARC coaching went well.
 - Stable sub in 1st grade classroom.

- Coaching Comments ~ Dr. March: This is a friendly reminder that your next leadership team meeting agenda as well as your last leadership team meeting minutes are posted and up to date. I look forward to seeing your progress. Thank you.

Robinson: Our approved Leadership team minutes are now up to date. Once the Leadership Team votes on our March 15th minutes, I will update those minutes as well. Our first April Leadership agenda is also posted.

One question though: Will the county be giving a date to upload the spring Comprehensive Report or do we just upload within the date range listed on Indistar? Thank you for your continued feedback and support.

- Old Business
 - A.4.06 All teachers are attentive to students' emotional states, guide students in managing their emotions, and arrange for supports and interventions.(Rickard)
 - **Discipline data update – Discipline data was reviewed**

- Team reviewed informal administrator's discipline file; 176 referrals with physical aggression being primary infraction.
 - Around 40% under last year's referral count. This year's goal was to
 - 102 – ISS; 27 – OSS resulting from referrals
 - ISS has decreased from last year; OSS up by one from where we ended last year, but all but one resulted from physical aggression
 - 148 Restorative Practice referrals (104 Rule 6/8; 42 physical aggression (horse playing etc.)
 - Office referrals by quarter; 3rd quarter was our lowest of all three quarters; Restorative Practice referrals continue to increase
 - 4th grade continues to be highest, but showing a decrease since departmentalization; 3rd grade also a higher number.
 - Official district discipline results has not been released.
 - All indicators show we are on target to meet our goals.
- School Restart & Allotment Process Update & Review
 - Restart if approved by the board will give a lot of options and flexibility.
 - Many more information will be coming if Board approves and once allotments are finalized.
 - Leadership members were given copy of last year's budget proposal to reflect on this year's purchases to begin thinking about next year's budget focus.
 - Out of the box thinking and new strategies were encouraged.
