- **Interim Results**

- 3rd interim will be cumulative (Week of April 18th)
 - Ran as a mock EOG
- Reading
 - Reading teachers have analyzed groups to get their groups at only 1-2 levels back instead of 3-4 levels back.
 - 3rd 22%
 - Goal 35.7
 - 4th 35%
 - Goal 32%
 - 5th 42%
 - Goal 21%
 - As a school, we are about 3% ahead.
 - Blue and Green readers were in the single digits but have increased their scores for the 2nd interim.
 - Need to build stamina with passages as well in connection with ARC.
 - Looking at poetry as well, since there were poems on the interims.
- Math
 - As a school/Grade Level
 - 3rd grade
 - Major focus—only 16.88% proficient
 - Goal 30.3%
 - 4th grade—24.71%
 - Goal 22.5%
 - 5th grade—26.8%
 - Goal 29.9%
 - As a school, we are about 5% behind.
 - Shift from first interims—we were in the negative, now in the positive.
 - As a school 22.75% SIP Goal
 - If 3-5 meets goals, the SIP goal will be met.
 - Guided math with teacher and tutor is going well.
 - 6 station rotation within 2 days. (3 per day)
 - Pleased with walk-throughs and noticing student catching their mistakes more.
 - 5th grade science
 - Within 1 point of the district in questions correct.
 - 53% of our students above a 60% on interim.
 - 35.7% SIP Goal
 - Did well with matter and body systems.

- **School Pace** (See data chart)

- **mClass Results**

- Regrouping students based on data
- K-4 data report

- PEPs, Progress monitoring, & Next Steps document to help determine movement/progress.
 - Working on Consistency with Sight Word List Checks/Tracking
 - Trying to align conferencing and power goals with ARC as much as possible.
 - Align strategies and questions with writing in TRC/ARC.
 - Must remember that even if we have a new program; still use the previous strategies that worked in combination with new program.
- New Business
 - Update on Education Galaxy
 - Hoping to order on Monday 2/19
 - Beginning with 3-5, but hoping to use with the entire school.
 - Very cost efficient.
 - Videos to help understand when incorrect (have to watch)
 - Game is only 4-7 seconds—helps to not have the game mode lingering, but a stronger focus on learning.
