○ A1.07 All teachers employ effective classroom management and reinforce classroom rules and procedures by positively teaching them. (McCain)

- All classroom management plans have been submitted and aligned with
- Social contracts beginning to be created
- Procedures definitely been taught.
- Continued focus on exceeding the 4:1 ratio

- New Business

- ARC in 3<sup>rd</sup> grade ~ upon further reflection of Cone's data, decision was made to opt in with 3<sup>rd</sup> grade ARC this year. Data in third grade specifically was not as large a growth as in previous years. Therefore, third grade ARC will be implemented.
  - Based on our data, IRLA is a consistent indicator with EOG proficiency.
  - Adjustment to Underwood's focus and schedule will be coming as ARC implementation.

Next meeting: we will need to relook at our budget allocations to ensure we have enough resources for implementation across 3-5.

Dismissed at 4:00 pm
