Objectives Planned For

Monitor (updates made)

- Mrs. Archer and Ms. Harris went through and added comments for the end of
- We have a few indicators that needed action steps which will be discussed at the summer meeting. The indicators are: A2.04 - Walkthroughs; B1.01 - MTSS; B2.05 - Leadership Capacity; and B3.01 - Feedback.

VII. Other Business

Action Taken:

EOG Data Share

- 3rd ELA - 77% passing

- 3rd Math - 79% passing
- 4th ELA - 65% passing
- 4th Math - 56% passing
- 5th ELA - 70% passing
- 5th Math - 80% passing
- 5th Science - 85% passing
- Overall % Passing - 74%

TWC Survey

- We took time to compare results of the 2022 Teacher Working Conditions Survey to the 2020 and 2018 results. We looked at which ones we improved in and which ones we decreased in.
- Parent reps were able to share how General Greene can improve our two-way communication with the community.
- Teachers were able to speak out and share about different sections throughout. We were encouraged to think about the questions where we need to improve and share thoughts throughout the next school year.

Committee Reflections

- **Science/Tech:** We reflected on how we didn't feel as productive this school year because we only met a handful of times. Suggested moving forward that if we are unable to meet on Tuesday, move the meeting to Wednesday.
- **ELA/TAG/SS:** They agreed with what math shared about being able to discuss strategies and brainstorm with other grade levels. Students shared that they loved Reading Spirit Week.
- **Climate/SEL:** It was decided that they would like to tweak things moving forward. They would like to change things to make sure it benefits the whole school and all staff. Incentivize behavior to try and help with behaviors and write-ups from the beginning.
- **Math:** They liked being able to get together with all grade levels to share strategies that worked well in their classroom and then brainstormed as a team about how to help a teacher that were struggling with something in their classroom. (Maybe a math spirit week next year. National Math Day is December 22nd).

VIII. Next Meeting

Date: 06/21/2022

Time: 9:00am

Title: Summer GLT Meeting

Location: Microsoft Teams

IX. Adjourn

10:45am
