All indicators will be closed out in our June 2021 Meeting.

VII. Other Business

Action Taken:

FAM-S Rubric (Sexton)

- We have 4 items left to discuss from our meeting on Tuesday, April 27th about the FAM-S Rubric. We looked at questions 26, 28, 34, and 39.
- The team discussed the 4 questions about what level we think we are on the rubric. We had 2 minutes to discuss each question. At the end of the 2 minutes we came to a consensus of what level we should be at.

Data from MAP (NWEA) and Interims (Archer)

- Ms. Archer shared data from Interims including standards that we are doing well on and which need some work.
- 3rd grade Interims - ELA has had steady growth. Math had a small dip from interim 1 to 2, but grew from 2 to 3.
- 4th grade Interims - ELA has had steady growth. Math had a small dip from interim 1 to 2, but grew from 2 to 3.
- 5th grade Interims - ELA has had steady growth. Very similar proficiency across all 3. Science had lots of growth from interim 2 to 3.
- NWEA there is growth in both subject areas across all grades from winter to spring.

Who is coming off of GLT? (Whitsett)

- 4th Grade - Nance replaced by VanOoyen
- Kinder - Whitsett replaced by Nix; Whitsett will cover while Nix is on leave
- Magnet - Baldwin replaced by Lambillotte
- 3rd Grade - Barrett replaced by Blough
- 2nd Grade - Cates replaced by Compton
- Specialist - Rice replaced by Adams
- Support Staff - Sigmon replaced by Jones
- Parent Rep - Ms. Bermudez, PTA will need to extend the offer to have parents offer to serve of GLT. Ms. Harris shared that she will share this information with the PTA President.
- We will be voting next week at the Greene Staff meeting.

SEL Data (McInturff)

- In the last meeting they went over the rubric for SEL implementation.
- The rubric is on a scale of 1-4.

- A large majority of their skills are 2s because staff has had the training, but we won't start implementing with students until next year with the Sanford Harmony curriculum.
- Many members of SEL would like more people to join the committee and for staff to come up with their own competencies.

Budget/Staff Development Needs

- Do we want to continue with Education Galaxy? This is something that is being discussed during PLCs.
- What are some staff development needs for the next year? This is also being discussed during PLCs, to see what support staff needs for this summer to help them prepare for next year.

Scheduling Suggestions

- This is also being discussed during PLCs.
- Something they are looking at for next year is how to continue with the back-to-back specials for 3 days in a row or to go back to a special each day.

Committee Share-Out

- **Science/SS/Tech** - Discussed the gathering resources for Hispanic Heritage Month next year in September. We also discussed 2 grants, one for science and one for technology.
- **Math** - Ms. Archer shared EOG prep and practice questions. Nance shared out notes from GLT. Kinder is one pace to finish on time. 1st they were unsure of. 2nd grade will finish on time. 3rd is finishing up their last module and will start implementing the EOG question of the day. 4th grade is finishing module 4 tomorrow and start module 7. 5th grade was finishing up curriculum and starting interim 3 and EOG prep.
- **Media/TAG/ELA** - Huff is working in small groups with students from K-3. Huff is working for 4th and 5th about students that are doing the bare minimum in AG classes. Ms. Collins updated them that all books need to be back by May 25th.
