VI. Indicators to Assess-Create-Monitor

Indicators Assessed

Objectives Planned For

Monitor (updates made)

We do not have any indicators to look at until June.

VII. Other Business

Action Taken:

Ms. Morehead shared a video about Autism Awareness Month.

Budget (Ms. Harris)

- We have spent a lot of our money for the year. We have bought a lot of technology (chargers, document cameras, speaker systems, supplies...).
- We have spent money for staff development and will be doing 2 book studies next year.
- We were able to buy some supplies for the general classroom supplies.

COVID Updates (Ms. Harris)

- Desks can be 3 feet apart, but we have more room than that so we can keep our aisles.
- Everything else will remain the same in regards to lunch, specials, and recess.
- We have 8 waitlist students that will be returning on April 12th.

Next Year Updates (Ms. Harris)

- We will have an SEL curriculum for next year. We will be adopting the Sanford Harmony curriculum. It is an open source curriculum and go online to learn more about it. It does align with CASEL outline.
- We will be creating school harmony school-wide goals and individual classroom goals.
- Kinder Open House will be next week on April 14th. The goal is to help increase the enrollment of kindergarteners for next year.
- Magnet students have been notified of their invitation for next year. We do have a lot of students on the waitlist (K-235, 1st-151, 2nd-107, 3rd-120, 4th-89, 5th-61)

Upcoming Major Events (Ms. Harris)

- PTA wants to do another Walk for Greene extension.
- EOGS are required with no exemptions and must be done in the building. This will help with AG placement for 3rd grade.
- Indoor Field Day unless something changes.
- 5th grade is working on planning an EOY celebration.

Field Day (Mr. Rice)

- It is county wide and is supposed to be something that will be easy to manage on the day of.
- The idea is that all of the activities that will all be housed in a Nearpod. There are 3 different types of activities. Green activities are something that the students will watch. Red activities are something that all students will be doing. Blue activities are something that will get the kids moving.

- The indoor was chosen because it is something that can be implemented at every Guilford County schools and it allows us to work with our current restrictions.

Committee Meeting Share-Out (various reps)

- Math - Discussed getting another SWIVL and more presentation clickers. They discussed pacing and Canvas interactions among the grade levels. Showing growth in DIBELS across the school.
- Climate/SEL - Ms. Shaw led the meeting in March. They looked at survey data and set goals for the next meeting. They needed to look at the SEL rubric and graded the school on the rubric.
- ELA/AG/Media - There were no major updates. They just looked at the events that are happening this week for School Library week.
- Science/SS/Tech - Discussed celebrating Earth Week, which will take place on April 19th-April 24th. There will be a list of activities that students will be doing throughout the week.
