Guests: Danielle Van Ryen for Kari Barrett

II. Celebrate recent successes

Science Olympiad team is doing such an amazing job! Thank you Ms. Harris for giving us the chance to have the team.

All grade level teams were able to complete their data days. Looking towards next year it may look different than this year.

III. Review and respond to coaching comments

no coaching comments

IV. Approval of last meeting's minutes

Baldwin motion, Ralston 2nd

V. Old Business

awards - majority of staff & parents have voted for awards but it still hasn't happened; there was a discussion of grades and how to have it rolled out

motion made to have GLT vote on it - show of hands - 0 yes, 10 no, 3 abstained

so there will be no awards given out at General Greene at this time

VI. Indicators to Assess-Create-Monitor

Indicators Assessed

The school regularly communicates with parents/guardians about its expectations of them and E1.06 the importance of the curriculum of the home (what parents can do at home to support their children's learning).(5182)

***Objectives Planned For
Monitor (updates made)***

math survey & overnight field trips survey to send at the end of the year to plan for next year - team looked at the surveys and made suggestions

it was decided not to have a reading night during the book fair this year, only made \$300 last year and it does not fulfill the objective of educating parents

transition night for parents at the end of the school year to give them information on the upcoming school year

suggested that we try to go ahead and create a calendar of events for the upcoming school year - summer meeting

curriculum nights - towards the end of the 1st Q

overnight trip survey - suggestions were made for edits & this will be sent out to rising 4th & 5th

surveys discussed today will be sent home at the end of April, potentially

VII. Other Business

Action Taken:

Budget

purchasing new technology; transferring funds to custodial for needs; office supply funds can also be moved around if needed

no more color printers - if something needs to be printed in color it will need to be sent to Poe and Harris for approval and if approved they will print it for you

printer cartridges have been ordered but if the printers break, they will not be replaced

Committee Meetings

Reading - reading night and kinds of things that would benefit

Math - behaviors are impacting the data and learning potential is not being maximized; what can be done - discussed working with PBIS to help; pacing is much better than last year due to less days missed from storms

Science/Tech - looked at science data and questions that students struggled with are higher level test questions that students can access the information

Climate - upcoming climate survey & will be discussed at next staff meeting (Rice & Cuddington); TWCS will be taken during PLCs March 11

PBIS - ice cream incentive; discipline data, numbers have gone up
