

**The Carson Higgins Memorial Scholarship** is awarded in memory of Carson Higgins, a Revere student whose short but impactful life inspired others to live fully, with purpose, humor, love, and generosity. Diagnosed with cancer at the age of three, Carson faced a nine-year battle with unwavering courage. He never let his circumstances define him, choosing instead to embody kindness, faith, and love in everything he did.

Carson's story is one of perseverance, positivity, and service to others. Whether through his involvement in his church, Boy Scouts, or volunteer efforts, he found joy in giving back and uplifting those around him. He valued family, friendships, and education—excelling academically and remaining an avid reader and musician, even through his most difficult days.

In recognition of the generosity, kindness, courage, and leadership that defined Carson's life, the CarsonStrong Foundation offers this scholarship to students who demonstrate these same qualities in their own journeys.
