Taylor Childress- LES PE
Paige Williams- LES Nurse
Leigh Williams - AHS Social Worker
Jesse Cordova- Mind Above Matter
Sharon Haney- Chartwells
Tina Herrera- AIS Social Worker
Ashlee Reed- AEN Principal
Isbeth Hernandez - Parent

The SHAC meeting was called to order at 1:37 by Abigail Trevino. She welcomed all in attendance and discussed the agenda for the SHAC meeting. Reviewed agenda items for today's meeting.

The meeting minutes from September 17, 2024 were reviewed and approved. Candi Howard was left off the members in attendance for this meeting.

Roles and Responsibilities of SHAC: Mission-Vision- Goals, review the roles and responsibilities in slides.

Counseling, Psychological & Social Services:

Jesse Cordova with Mind Above Matter presents a general overview of what the organization offers. Services include outpatient services for adolescents and adults struggling with bullying, behaviors at home, and in the classroom. Signs to look for when working with adolescents. Describing symptoms of depression and anxiety. MAM offers free assessments for Mental Health. All services are outpatient. Accept patients from age 11 to adulthood, groups of no more than 10 patients. MAM offers daytime and evening time sessions to fit the needs of families.

Health Services:

Chief Clark has a program in mind for AJH and AHS scholars regarding Fentanyl Awareness. We will touch base with him at our next meeting in February.

Nutritional Services:

Abigail Trevino- Triennial Assessment results sent out with agenda. There were no additional comments about the results. They will be posted online on the SHAC page to

refer back to throughout the year. National School Lunch Week (NSLW) lasted four days because Monday, October 14 was a holiday. CN opened all offerings up to the PK scholars. Before they did not get to choose an option for lunch, they had whatever the main entree for the day was. Now they get to pick between two hot lunch options, a salad, or a sandwich. These changes were made based on the feedback from the Advisory Board, Principals, parents, and staff members. Alternative meals have become an issue since these meals must be paid for out of the General Fund for each campus since January of 2024. School year 24-25 is showing an increase in alternate meals being served on each campus. District policy allows each scholar to charge up to -\$10 to each food service account, after that the meals are charged to each campus. At the end of the year the District pays all negative debt (up to \$10/ scholar). No bad debt can be carried over to the next school year. Donations are applied at the end of the year, starting with scholars who owe the most money. Campuses have the choice to limit alt meals to scholars. Sharon Haney talks about food costs and how an alternate meal is composed. We are in constant communication with parents about lunch debts, not all families are responsive. Share tables are a risk for germs and bacteria. If a share table is used, it must be monitored for scholars with allergies and food safety.

Parent/Community Involvement: SHAC Family Night-Lori Nunez: SHAC Family Night will be Apr 17, 2025 from 5-7 PM. Talk about non-negotiables for this year. COVID grants are nonexistent, all funds have ended. AEN donated from their color run, they raised \$1,350 to go towards SHAC night. Last year bounce houses totaled \$1,600. We could cut down to 3 bounce houses to save funds. Possibly we will need to seek sponsors or look into a fundraiser. Non-negotiables are food, giveaways, bounce houses. Alternative to activities is possibly playing a movie for families. Maybe look into In and Out fundraiser for next year.

Physical Education: Upcoming events by campus-
LES Jingle Jog
AEN Color Run in the spring
AIS hosting a dance Dec 10th

Meeting End at 2:45 PM

All SHAC members were thanked for coming to the meeting and participating. The next SHAC meeting is scheduled for February 11, 2025 at 1:30pm in the AISD Boardroom.
