### Principal's Message

#### Stevens Creek Families:

March is here, and like usual, there's a ton happening at Stevens Creek this month!

Conference week starts us off! The first week of this month, March 3-6, you will have a second opportunity this school year to be able to meet face-to-face with your Cub's teacher. It's such an important touchpoint as we enter the last portion of the school year. Making sure our entire team is on the same page, and working together is vital to student success!

We are also getting ready to award the second House Cup of the school year! The House points competition has really been heating up, and we have had more points earned during this stretch of the year than at any other. Once the winning House is announced, they will also find out what their House reward celebration will be! Hint: This time, we're bringing the fun to STC. So, the winning House will have fun delivered to them for this round!

The final House Cup competition will begin right after that, with a June celebration for the House which takes the third and final cup of the school year! House points will zero out, and we will begin our last race of the school year. In the end, what matters most is that we are celebrating our Cubs showing those Creek Essentials- taking care of one another, ensuring all students can find success, and making one another better with our words and actions.

Recently, our team received wonderful feedback from the state (OSPI) that we continue to grow our students at high rates. We are most excited about the fact that our yearly data is showing that all students are growing, no matter where their learning journey begins. That's an important pillar for us, as we expect to see every Cub grow at high levels in their learning. Additionally, we are excited to report that we continue to see our STC community's attendance rate go up. As you know, this has been a point of emphasis for all schools around the state, not just ours. Well done, Cub families! As we always say, if you can get them here each day, we promise that our kids will grow in so many ways! Thank you for partnering with us!

One of our favorite things to do here at STC is celebrate our kiddos! We can do that in many different ways. One of those opportunities to celebrate will present itself this month! Several of our grade levels have been working hard to prepare for their performances here at school. This month, we are looking forward to our 3rd, 4th, and 5th graders performing at their evening concerts, all in the month of March! This hard work will surely prepare them for their time to shine! Our other grade levels will have subsequent performances in the coming months!

- 3rd Grade, March 13 @ 6:30 pm in the STC Cafeteria
- 4th Grade, March 25 @ 6:30 pm in the STC Cafeteria
- 5th Grade, March 27 @ 6:30 pm in the STC Cafeteria

However, that's not the end of our students performing this month! We also have our PTA Variety Show taking place on March 21 @ 6:00 pm. March is indeed our month of performance here at STC! Come cheer on our Cubs if you can!

Finally, speaking about calendars, our snow and wind days have pushed our June calendar out a bit. Our new last day of school will be Monday, June 23 for your planning.

### Cruisin' Cubs Running Club

Every Tuesday & Thursday (weather permitting) students can wear their running shoes for a lunch recess running club. Students can walk/run around the track during lunch recess (monitored by parent volunteers). Every time a student runs 6 laps it is a mile. As Crusin' Cubs achieve more and more miles, the student can earn half marathon (13.1 miles) and marathon medals (26.2 miles) which will be awarded during PE class.

#### Cruisin Cub Stats as of February 25th

15,353 laps = 2558 miles

#### 3rd-5th Student Leaders:

Quinten Fauland 526 laps = 87.6 miles

Naksatra Rajkumar 287 laps = 47.8 miles

#### K-2nd Student Leaders:

Happy Bhupendra 276 laps = 46 miles

Luna Olcsvary 126 laps = 21 miles

Be sure to encourage your child to wear their running shoes and participate in this fun, healthy activity during lunch recess on Tuesday & Thursday.
