Hello Gateway Families,

I am gladly typing this letter as a way to express how grateful we are for having such an amazing team at Gateway. Irene Rodriguez Reyes or "Lupita" has been in school since 2018, when she was only 3 years old. Teachers have seen Lupita progress and have been part of her daily routine. We enjoy all the activities and festivals offered at Gateway. I am pretty sure Lupita likes them and seems so happy when we participate in them, she especially loves the Gateway Gator Gallop!

We like the school facilities, teachers, and equipment offered to students. It is easy to transport Lupita and the school is close to home. The school is very understandable regarding constant appointments.

Teachers are nice, reachable, and really helpful regarding anything. They provide much support to students in class activities and games. Lupita receives lots of love at school, has friendly friends, is ready to learn, and most importantly she feels comfortable at school. We are proud to have Lupita at Gateway Education Center.
