

# Legislative Transmittal Update

## Community Meeting

On **March 12, 2025**, Great Falls area legislators will share insights into education-related bills progressing through the Montana legislative session. At this critical mid-point, only bills that have passed their originating chamber and have been transmitted to the other chamber remain under consideration. This is a valuable opportunity to learn about key legislative developments impacting education. We encourage our community to attend, listen, and learn from our local legislators. We hope to see you there.

*Please join us!*

Wednesday,  
**March 12, 2025**

5:30 PM

**Great Falls  
Public Schools**  
Aspen Conference  
Room

1100 4<sup>th</sup> Street South

Or listen via Zoom
