

National Bullying Prevention Month

Week 2

Service-Learning Project

Task: Review the following Unity pledge and take time share this pledge with your teachers and classmates. Ask teachers if they can take time to do the pledge as a class. Discuss the importance of Unity Day and log onto a meeting on October 21st to discuss the pledge and Unity Day with other Guilford County Schools students.

Investigation: Research Unity Day, its origins, and the impact that it has had. What is the importance behind taking the pledge and how does it affect students and staff?

Preparation and Planning: Take time to talk with your teachers and discuss doing the Unity Day pledge as a class. Explain the importance of the pledge and why Guilford County Schools completes the pledge.

Action: Lead your class or a small group through the pledge and have a discussion about Unity Day.

Reflection: Discuss, journal, or process why taking and sharing this pledge is important and why National Bullying Prevention Month is important.

Demonstration: Log on to the Unity Day meeting on October 21st at 3pm to discuss the pledge and Unity Day with the Coordinator of Bullying Prevention and the Specialist of Service-Learning.

Submit your x2VOL verification to Jacob Hicks at hicksj@gcsnc.com. Attending the Unity Day meeting on October 21st will count as your project submission.

Take the Pledge!

Make a commitment to:

- have strength to unite those who **want everyone to feel safe** at school, in their community, and online.
- show that I care and **am against bullying** and united for kindness, acceptance, and inclusion.
- send the message to my peers who are bullied, that they **are not alone**.
- create a culture in which more people **are supportive of others**.
- support others who have been hurt or harmed.
- be more accepting of people's differences.
- help include those who are left out.
