

## CLASS: LOWER SCHOOL - Year 1

These independent learning tasks should be completed by 4.4.2025 . All completed tasks will be rewarded with positive points. You can upload your work to Seesaw for us to see.

Mathematics and numeracy	English, literacy and communication	Science and technology	Caru dysgu: humanities
<b>What makes 10?</b> Practise the number bond song and ask your child... 'What goes with 3 to make 10?' 'What do you add to 6 to make 10?' '1 add what makes 10?' Repeat for the different numbers up to 10. Once your child is able to answer these questions confidently, you can push them further to practise the 10 times tables, playing the game on Hwb.	Visit the library on Reading Eggspress. Click on the purple monster in the mirror and choose a book. Choose a book from the same phase reading book you are on - check your home reading book. Complete the quiz at the end of the book. Keep learning tricky words...can you make it to the top of the rainbow and into the sun or rocket?	Go on a materials hunt around your home/local area to find objects which are made from glass, plastic, metal, paper, wood and fabric. Can you sort the objects into sets or take photos on Seesaw and label with the correct words using the 'T' (text) tool? Think about and discuss why objects are made out of certain materials. Why isn't a window made out of fabric? Why isn't a dolly made out of glass?	St David's Day celebrations Choose one of the following... *Teach your family the dance routine for our Twmpath dance. OR *Draw, paint, collage, build something that reminds you of Wales. We have been discussing this is class...can you remember?
