Dear Parent/Guardian:

I hope the school year is off to a successful start for you and your child. I am writing this letter to let you know that *Oak View Elementary* has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. Per ESSA Section 1111(d)(2), schools are identified as TSI-AT schools in North Carolina because one or more of the following subgroups received a subgroup performance grade score at or below the highest identified CSI-LP school's All Students group during the identification year; and is on the TSI-CU list for the subgroup(s) for the previous year. Subgroup performance scores are provided for the following subgroups: (1) Students with Disabilities, (2) Economically Disadvantaged, (3) Black, (4) White, (5) Hispanic, (6) Asian-Pacific Islander, (7) Multi-racial, and (8) English Learners. This letter is to notify our parents and guardians of *Oak View Elementary's* intentions to improve educational outcomes for underperforming student subgroups and close achievement gaps for all students.

As a TSI-AT (ATSI) school, *Oak View Elementary* is required to develop an Additional Targeted Support and Improvement (ATSI) plan that specifically addresses how the school will improve outcomes for underperforming subgroups. The plan will also include strategies that our district or charter will employ to support *Oak View Elementary's* improvement efforts. The ATSI plan will address the following areas:

- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement
-

We have set the following goals for Oak View Elementary this year: Here are some strategies that we will be implementing to improve student outcomes:

- By June 30, 2025, Oak View Elementary will increase its overall Reading EOG proficiency by at least 3 percentage points, from 29.5 % in 2023-24 to 32.0% in 2024-25.
- By June 30, 2025, Oak View Elementary will increase its overall Performance Composite by at least 3 percentage points, from 36% in 2023-24 to 40% in 2024-25.

We are committed to improving student performance. It is important to remember that just as no single score or grade tells the whole story of a student, neither does it tell you everything about a school's performance or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

We're excited about this school year and are working to make it a success for your child. Already, we have:

*Met growth for the second consecutive year (2022-23 and 2023-2024) *Highest 5th Grade Science Proficiency in 5 years (60%)
