

# Bus Rider Policies

## OPERATING POLICY REMINDERS

- Be on time for the route.
- The bus departs at the scheduled leave time, which can be found on the Student Transportation Data Sheet distributed at the beginning of the year. Students are asked to be ready 3-5 minutes prior to leave time.
- If a student is not at the stop at leave time, the bus will depart without them to stay on schedule.
- If the bus departs without your student, please contact the Transportation Office to arrange another bus to return and pick up your student.
- The school bus is an extension of the school experience.
- Expectations regarding a student's behavior on the school bus are the same as those in the classroom.
- Lower School Students (Grades P-3) are required to have a parent/guardian or designated person meet them at the drop-off location.
- If a parent/guardian or designated person is not visible to the driver at the drop-off location, Lower School Students (Grades P-3) will be returned to Breck Extended Day. The designated person must be someone who is 5th grade or older.
- Student(s) with PM transportation and in grades 5-12, are assigned to an Activity Route.
- Please notify the transportation office if your student is not riding the morning bus before 6:30 AM.
- Please notify the transportation office by 1:00 PM of any afternoon changes.
- Afternoon buses load behind the school and leave campus at 3:30 PM.
