Secondary Contact

Jesse Simmons, BAC Chair (new Chair as of January 2025)

[jsimmons504@cinci.rr.com](mailto:jsimmons504@cinci.rr.com)

Goals submitted for the BAC plan are on target and on track to being fully accomplished (10 out of 10)

- Internship goal has already been met
- Advisory usage goal is on target to be met
- There have been no goals added or deleted from the 2024-2025 plan.

Challenges that exist in connection with meeting goals include chronic absenteeism, student mobility and transportation.
