Please send your student to school with headphones, as some portions of the NJSLA require them.

All students must arrive at school on time on test administration days, with fully charged Chromebooks. Arriving late to school may result in your child having to make up a section of the assessment.

Our students are well-prepared for NJSLA assessments. Our curriculum is aligned with NJ Student Learning Standards and our students are regularly presented with the skills and knowledge essential for performing well on these tests. We believe that a strong curriculum, rather than isolated test prep, is the best way to prepare students for all types of assessments.

Review practice tests for each grade level of the assessment are available on the [New Jersey Practice Tests webpage](#) should you wish to familiarize yourself with the kinds of questions and format used for the NJSLA. Teachers will review practice tests and tutorials with students in school.

Should you have any questions, please reach out to your student's principal. Thank you.

Sincerely,

Brenda Yoo

Assistant Superintendent of Curriculum & Instruction
