About Me

I have been in the community my whole life, I went to Hutchins, Kazen, and finally graduated from South San in 2008. I am a mother of 4 beautiful children Kriscelle , Mario, Kaleah , Khaleesi they are my world. I am a South San ISD parent and I love the fact that my kiddos attend the district I once graduated from hope to see them one day walk the same stage I did. I enjoy helping people to the most of my potential.
