

NEWMAN CATHOLIC SCHOOLS FOSTERS DISCIPLES OF CHRIST
THROUGH CATHOLIC FAITH, SERVICE AND ACADEMICS.

INVESTING IN THE FUTURE

OF NEWMAN CATHOLIC ATHLETICS

ACADEMIC, ATHLETICS & FAITH COMPLEX CAMPAIGN

SUPPORT THE VISION

Student wellness and pride is at the heart of the vision behind Newman Catholic's future Academic, Athletics & Faith Complex Capital Campaign, and all members of the Newman Catholic community are needed to help make this vision a reality.

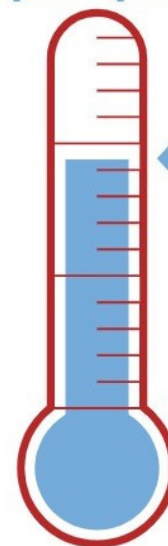

Investing in the Future of Newman Catholic Athletics enables us to build a state-of-the-art complex that will play a significant role in providing our students with the best experience as a teammate and player.

Newman Catholics' Academic, Athletics & Faith Complex will help to foster increased school pride, build a deeper sense of community and allow students to celebrate who they are as a Newman Catholic Fighting Cardinal!

Why Support the Academic, Athletics & Faith Complex Capital Campaign?

A Catholic based education is more than just what a student learns in a classroom. For student athletes, their education continues on the court and on the field where they are able to further develop leadership skills, learn to work as a team and how to overcome adversity.

THE NEED:

1st Class Facility for a Growing Program

As coaches within Newman Catholic work to increase participation in and the success of programs, they deserve to do so on quality fields that offer the best experience possible.

Enhance School Pride and Increase Retention

Onsite ability to play enhances school pride which increases a student's desire to stay with NCS. If students are proud of their school and to play with their team, they do not seek outside opportunities.

WIAA Compliance

Updating facilities ensures WIAA compliance for all fields, courts and the track. This will allow NC Athletics to host WIAA tournaments, meets, playoffs, and more.

Control of Facility Use and Maintenance

Rented facilities are managed by the city or county and are not maintained to the standard that is desired which increases the risk of injury. Additionally, some facilities are in less desirable areas of town that increase safety concerns.

Builds a Feeder Program

Enhances athletic offerings by building a stronger feeder program which helps our younger Cardinals develop skills necessary to succeed in the Newman Catholic varsity programs.

Hosting Camps / Clinics

Though NCS currently hosts camps, the majority are attended by current students. Expanding facilities will allow camps and clinics to grow and invite community members. Doing so can also foster enrollment growth.
