@ 3:00 p.m. – 5:00 p.m. in the all-
purpose room

The Low Down with Mr. Brown

Dear Parents and Families,

As we enter the month of March, I want to take a moment to thank you for your continued support of our school community. The collaboration between home and school plays such a vital role in the success of our students, and I am grateful for the partnership we share.

With the arrival of spring just around the corner, we are looking forward to the opportunities for growth and renewal that this season brings. Our students continue to show tremendous growth in their academics and social-emotional development, and I am so proud of the hard work they are putting in every day. This month, we have our PTO Lucky Bingo! Come and enjoy some great fun and prizes.

Mr. Brown

From the Heart with Mrs. Hoyt

March is here, and we’re excited for the adventures it brings! A Huge thank you to our incredible PTO for organizing a fantastic Winter Spirit Week. It was a blast seeing everyone dress up and show their school spirit is so many fun ways!

As we gear up for the 2nd half of the school year, we have been reminding students about school-wide PBIS expectations. It’s important to use kind words, share a smile with friends, and be respectful of everyone around you. Let’s keep Leptondale a positive place!

A special shoutout to everyone who participated in the Super Bowl Guessing Game! We loved seeing so many of you get involved.

Congratulation to our Top 3 students, staff and community members.

Students: Avaluna Rosado, Holly Rule, Phoenix Castro

Staff: Mr. Miller, Mrs. Mistretta, Ms. Avitabile

Community: Lindsey Bowman, Dessire M., Doug McNabb

Next up is “March Into Wellness”: Stay Tuned!!

The PAWS-itive Student of the Month Trait for March is kind. These students genuinely enjoy bringing others happiness, is overall very friendly, and takes feeling of others into consideration. They are consistent is the way they treat people.

Austin's Helpful Healthy Hints

March is Oral Health Month. 😊 It's very important to take care of your mouth and teeth to stay healthy. Make sure you are getting the most out of your dental care routine by following these recommendations ~ brush your teeth morning and night; change your toothbrush every 3-4 months; brush all surfaces of teeth; floss, and don't forget to brush your tongue!

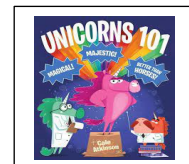

~ Mrs. Austin

The Book Nook

Unicorns 101

By: Cale Atkinson

Everything you've ever wanted to know about unicorns is listed in this book. Written like a non-fiction book, it gives you facts that settle the mysteries of unicorns. Unicorn scientist, like Professor Glitter Pants, Professor Sprinkel Steed, Professor Star Hoof and Professor Sugar Beard are certified specialist in their fields. These Professors explain what a unicorn is, biology of unicorns, unicorn types, diet and digestion, etc. After reading this book about unicorns, you become a unicorn scientist and even earn a "Unicornius Scientifucus" Diploma! I highly recommend this book to any unicorn fan that wants to laugh out loud!

~Happy Reading
