

Incoming 7th Grade CMMS Course Request Worksheet – SY 2025-2026

PLEASE CHOOSE YOUR COURSES WISELY.

We use this information to build our master schedule and to determine how many of each class we need to offer, so students have the best chance of getting the classes they request. Courses are requested and scheduled for the entire year.

There will be NO OPPORTUNITY to make changes later. Rank your choice of elective courses in order of preference. Otherwise, you will be scheduled to available courses.

Final course offerings and placement is subject to staff availability and resources.

Check ISD’s Middle School Planning Worksheet for Grades 6-8 to map out your three-year plan for middle school.
