Meet the...

School Social Worker

Hi everyone!

My name is Mrs. Canupp.

Take a look below to see some ways I can help make this year go swimmingly!

Social Work Services Available:

1. Assist students with overcoming barriers to school attendance.
2. Assist in the development of problem-solving skills and coping methods in situations which may interfere with student achievement.
3. Link families with school-based and community resources to promote student success and well-being.
4. One on One student check ins (this is not long-term therapy).
