#WeAreLT

This brochure serves to showcase highlights of our mission to Excellence, Innovation, and Empowerment. While not exhaustive, this is a glimpse of some of our ongoing successes. Our numbers demonstrate what makes LT such a special place and emphasize the success of our district and helped accumulate in our "Exemplary" Rating on the Annual School Report Card. This is the highest rating a school can attain and ranks LT among the top 10% of all high schools in the state of IL.

We're proud to connect with our current, past and future families, students and community members. As always, your feedback, encouragement and involvement are essential to the growth and success of LTHS and our students.

We appreciate the continued support provided by you, our neighbors, friends, and community members. I encourage you to visit our website for more opportunities to "Get Connected."
