Empowering Parents: Monitoring Student Progress

Welcome to our workshop on effectively monitoring your child's academic journey. Today, we'll explore tools and strategies to help you stay connected with your student's progress and support their success.

by Isis Ortiz

Getting Connected

Logging In

Access the parent portal on your device. Our team is here to assist you with any login issues.

Partner Up

Find a new face in the room. Share your current tracking methods or questions about monitoring progress.

Share Insights

Popcorn out key points from your partner discussions. Let's learn from each other's experiences.

The Power of Parent Engagement

1 Boosting Performance

Parent portal usage increases student performance by 15-20% in most studies.

2 Improving Grades

Regular parent check-ins are linked to a 12-18% improvement in grades.

3 Reducing Absences

Schools promoting parent portal use report 30% fewer absences among students.

4 Enhancing Behavior

25% of students show behavioral improvements when parents regularly monitor their progress.

Navigating the Parent Portal

1

Login

Access your school district's website. Find the Aeries Parent Portal link and enter your credentials.

2

Select Student

Choose your child's name from the list of students associated with your account.

3

Navigate to Grades

Click on the "Grades" option on the main dashboard. Select "Gradebook" for detailed information.

4

View Class Details

Click on specific classes to see individual assignments, scores, and teacher comments.

Identifying Positive Achievements

Look for Improvements

Celebrate grade increases, no matter how small. Every step forward is significant.

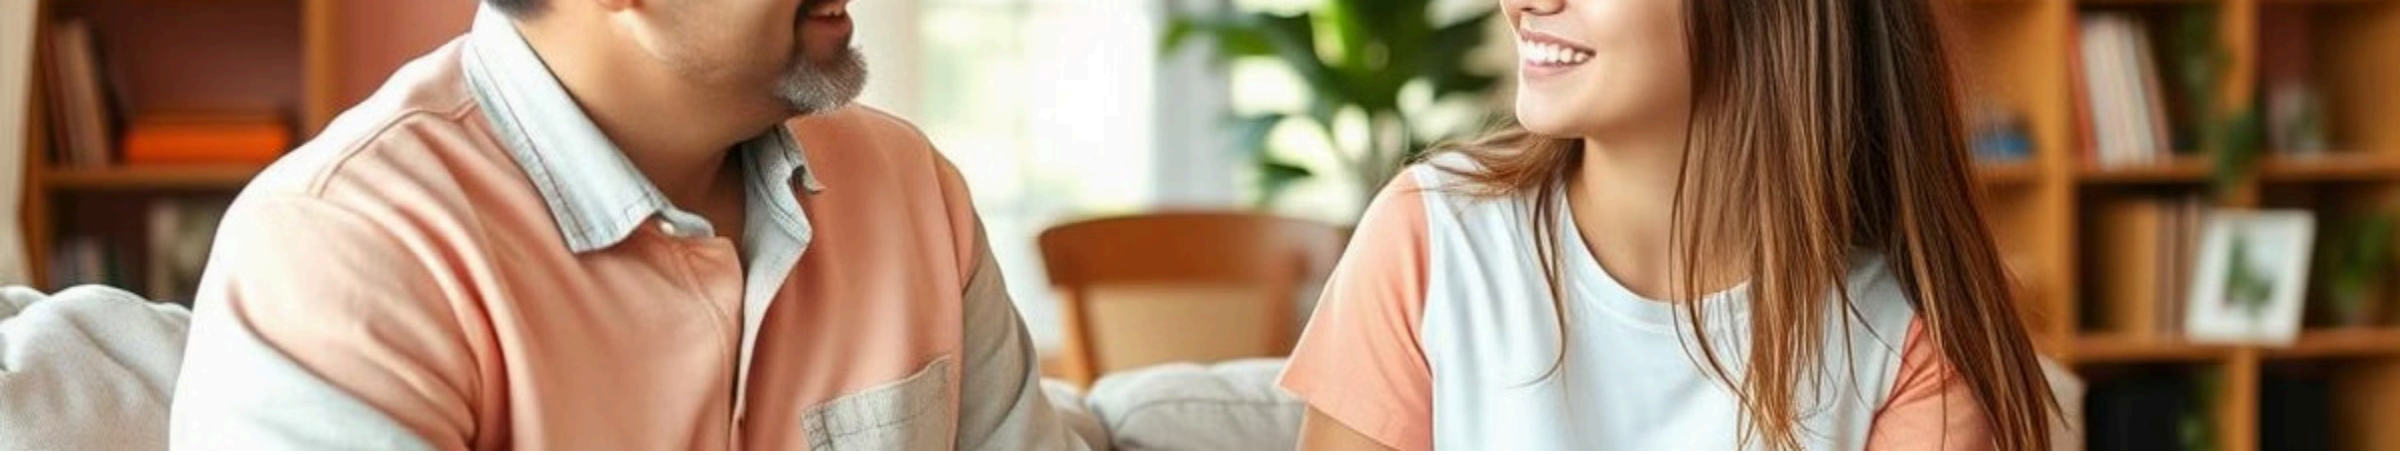

Recognize Effort

Praise consistent attendance and completed assignments. Effort often precedes academic success.

Note Positive Comments

Highlight encouraging remarks from teachers. These insights can boost your child's confidence.

Addressing Concerns

1

Identify Issues

Check for missed classes or assignments. Look for patterns in absences or incomplete work.

2

Plan the Conversation

Prepare to discuss concerns calmly. Focus on solutions and support, not blame.

3

Have the Talk

Listen to your child's perspective. Work together to create an improvement plan.

4

Follow Up

Check in regularly on progress. Celebrate improvements and adjust the plan as needed.

Practice Makes Perfect

Activity	Description	Duration
Note Catcher	Document positives, absences, and missing assignments	10 minutes
Role Play: Absences	Practice discussing missed classes with your child	15 minutes
Role Play: Assignments	Rehearse conversations about incomplete work	15 minutes

Your Action Plan

Weekly Check-In

Log into the parent portal once a week to review your child's progress.

Positive Reinforcement

Praise your child for their achievements, no matter how small.

Address Issues

Help your child plan to complete missed work and improve attendance.

Teacher Communication

Follow up with teachers to ensure missed learning is completed.
