The screenshot shows the App Store page for the Canvas Parent app. At the top left is the app's logo, a blue circle with stylized human figures. To the right, the app name "Canvas Parent" is displayed, followed by the category "Instructure Education" and a 5-star rating with 569 reviews. Below this, it says "Everyone" and "This app is compatible with all of your devices." A green "Installed" button is on the right. Below the app information are three preview images. The first shows a user named Brianna with course progress: 8th Grade Math (86.11%), Intro to Geology (100%), and Introduction to Biology (94.5%). The second shows Brianna's weekly schedule for August 1-6, including a missing music theory exercise and a submitted math homework assignment. The third shows a user named Abbie with a 95% course grade in French and two missing assignments in a Diplomacy course. On the far right, a snippet of a lesson titled "3.1 Square Roots" is visible, showing a "SUBMITTED" status and a grade of 88.0%.
