6. New employees who have worked for another Oregon school district may transfer accumulated medical leave when verified by the previous employer and as authorized by state law.

7. Employees also have rights under the OFLA and the FMLA.

B. Medical Leave Bank

1. All classified employees who are not members of the Medical Leave Bank will be automatically enrolled on September 30, with a donation of two (2) days of sick leave. If the staff member does not have two (2) days as of September 30, membership will not occur. Staff can reject membership by notifying the District office in writing with a signature prior to September 30. Classified staff hired after September 30 may join the Medical Leave Bank with a donation of two (2) days of sick leave. Notice must be given to the District office in writing within ten (10) days of the start date. This donation will qualify the staff member for the first year of membership regardless of the hire date.
2. Only those who have contributed days to the bank may apply for days from the bank.
3. Members of the bank may apply for time from the bank for their own personal illness only after they have exhausted their own medical leave. Time granted to a bank member shall be equivalent to the daily assigned work hours of the member of each day of benefit approved. Employees receiving time loss benefits through disability insurance are ineligible to receive time from the bank in excess of their current wage.
4. When a member applies for time, in writing, they must furnish certification from two (2) different doctors that the illness or injury is of a serious emergency nature which prevents them from performing assigned duties and medical treatment cannot be delayed until the next vacation period or the following summer. Medical leave bank hours are to be used exclusively for the treatment of the illness or injury described by the doctors in this section.
5. The maximum time a member can draw would be ten (10) days during any one (1) contract year after one (1) year of membership in the bank; twenty (20) days after two (2) years; thirty (30) days after three (3) years; and the maximum time a member can draw would be forty (40) days during any one (1) contract year after four (4) years of membership in the bank. Members may receive time from the bank for intermittent days missed from work in any given year for a prescribed medical treatment. Following any use of the medical leave bank, the member must rejoin the bank according to this article with benefits to accrue at the rate described above.
6. In the event an employee has exhausted all personal medical leave and their allotted Medical Leave Bank hours, the Union can, with permission of the employee or their family representative, request a voluntary donation of

medical leave hours from its members. A maximum of two (2) days, based on the donating employees contracted hours, per employee may be transferred per request. Employees wishing to donate must carry a medical leave balance of at least one hundred (100) hours. Total donations will be capped at ten (10) days, based on the recipients' contracted hours, per request. Only one (1) request per employee, per year, may be made. The Union will present to the business office a list of staff donating hours, the hours to be donated and the staff member receiving the donation. Donated leave hours are to be used exclusively for the treatment of the illness or injury described by the doctors in section 4.

7. Time from the bank may be considered for disability of the employee because of pregnancy.
8. Administrative procedures and forms will be provided by the District.
9. The classified employees' medical leave days contributed to the bank are irrevocable. Annually the District shall furnish the Union with the number of days currently in the bank. The Union shall determine when the bank is depleted to the point that reenrollment of all members is required.

C. Bereavement Leave

1. An employee shall be granted a maximum of five (5) working days' absence with full pay for the death of a family member as defined in this section.

4. Leave will be granted at the discretion of the building administrator or designee.
5. Leave will not be denied without reason.
6. Personal leave may be taken on non-work days between the start and end date of an employee's working calendar.
7. For all employees, any remaining personal leave left at the end of the school year can be cashed out or put into a tax-sheltered annuity (TSA) or any portion/combination of both as directed by the employee.
8. The TSA will follow all regulations as laid out by law.
9. The District shall help the employee access the procedures necessary to setup their TSA account once the District has been contacted by the employee.

E. Leave Without Pay

1. Employees shall be eligible for a leave of absence after two (2) years of service with the District. The superintendent can waive the two (2) year requirement. An employee may be granted a leave of absence without pay for up to two (2) weeks at the discretion of the superintendent or designee. Leaves of greater duration must be approved by the Board.
2. A leave of absence may be granted for the remainder of a school year or an entire school year. It shall be the employee's responsibility to understand any potential impact to their PERS retirement and to keep the District informed of their current address. The employee must notify the District in writing of their intent to return from leave by March 15. The District, at its sole discretion, may waive the deadline.
3. Employees will be returned to formerly held positions for leaves of two (2) weeks or less. Upon return from leaves longer than two (2) weeks, an employee will be offered a position for which they are qualified in their classification. Granting a leave for more than two (2) weeks does not guarantee a return to the same position or same number of hours, however, monthly insurance eligibility will not be affected.
4. An employee may be granted an unpaid leave of absence for religious holidays to maintain a tenet of faith.

F. Jury Duty/Legal Leave

1. Classified employees who are called for jury duty shall be excused with pay for such service.
2. The employee shall waive the juror fees.
3. The employee shall retain all mileage and expense money.
4. If an employee is required by the District to attend a legal proceeding connected with the employee's employment with the District such attendance shall be with pay.
5. If an employee is subpoenaed to appear in a legal proceeding related to the employee's position, such appearance shall be with no loss of compensation.

G. Non-Student Contact Days

1. Employees have the right to work as per the days on their working calendar.
2. If an employee requests a non-student contact day off and comes to a mutual agreement with the building administrator or designee, the following options may be used: vacation, personal or non-paid days.
3. They must be prearranged at least twenty-four (24) hours prior to the absence.

Article 11 – Vacancies/Openings

- A. Classified staff will be notified of openings in the District by posting of such notice for seven (7) working days.
- B. An opening is any available position created by either a current employee's separation from employment or the creation of a new position by the District. The District maintains the right to transfer employees when such a transfer creates an opening within the same classification and insurance access. Notice of openings for bargaining unit positions shall be posted as a job opening in all school buildings, online, at the District Office, and via email
- C. An employee may apply for an opening by following the directions on the job posting.
- D. The District shall interview each in-district applicant who meets the qualifications set out in the job posting. Upon request, any District employee who was interviewed and not selected may request a meeting with the hiring administrator for a consultation about steps they might take to become more competitive for future jobs within fifteen (15) working days of notification. They can bring a Union Representative to this meeting if they wish to.
- E. All summer employment openings shall be handled as stated in A and B above. Employees who worked in summer positions the previous summer are not guaranteed a position but will be given first chance at the same or similar positions as the previous summer.
- F. When feasible, position openings due to a regular employee's absence will first be offered to employees in the classification group and preferably at the job site before filling such position with a substitute. This is not an absolute guarantee that it will happen in all cases of position openings. A current bargaining unit member who substitutes for an entire shift in a higher classification will be paid at their current step in the higher classification.

Article 12 - Layoff/Recall

A. Definitions

1. *District Seniority*

The total length of service as a regular classified employee, not temporary or substitute, in the District since the last date of hire. Approved leaves of absence shall not be considered breaks in service with the District.

2. *Classification*

A listing of job classifications that are functionally related to one another in such a way that duties, responsibilities, and qualifications within the classification category permit incumbents to transfer skills and experiences from one job within the classification category to another. The classifications are:

- a. Office
- b. Maintenance
- c. Educational Assistants
- d. Food Service
- e. Technology

3. *Layoff*

Any reduction in hours sufficient to result in a diminishment in the District's monthly insurance contribution, the loss of two and one half (2.5) or more hours of employment per day or the loss of employment.

B. Notice of Layoff

1. If the District determines the need for a reduction in its work force, written notice of not less than four (4) weeks shall be provided to employees to be laid off. While the District reserves the right to determine positions to be eliminated, layoffs within each affected job classification shall be determined by the District as follows:

- a. Employees shall be laid off within each affected job classification according to District seniority except in the case of operational needs for special occupational skills. However, where two (2) or more employees in the affected job classification are equal in skill levels to be utilized in the remaining position, an employee's unbroken length of service with the District shall apply. No permanent employee will be laid off within a job classification until all probationary and temporary employees in the classification have been terminated.

- b. Prior to layoff or reduction of hours, a committee appointed by Union chapter officers shall meet with district representatives and attempt to reach mutual agreement on layoff, reduction, and recall. The Union will have three (3) to five (5) members on the committee and their OSEA Field Representative can attend.
- c. The District reserves the right to determine positions for elimination and final layoff decisions if the committee cannot reach consensus.

C. Bumping Rights

- 1. The committee will develop the bumping process and within the process no more than two (2) bumps will be allowed. The committee will first transfer employees affected by their positions being eliminated into the same position of any employee who has less seniority.
- 2. The committee will then determine which positions within a classification bumping rights will be allowed based on the skills necessary for each position within a classification. If an affected employee has no bumping rights within a classification, they may bump into a position they have previously held for six (6) months or more. The committee will determine employees eligible to bump within their classification.
- 3. When determining the bumping process, every effort will be made to place the most senior employees. Employee's skills will be taken into consideration in the bumping process.
- 4. Once the committee has determined employee transfers and layoff, all affected employees will be notified. If an employee does not want the assigned position, they must decide within ten (10) workdays whether or not they will accept the new position. If the employee declines the new position, they will be placed on the recall list for twenty-seven (27) months.

D. Recall

Recall will be by position classification in which the employee formerly worked in the District, and providing the employee is capable of satisfactorily performing the duties of the open position. Employees with the greatest seniority will be recalled first. The District will work cooperatively with the Union to determine employees to recall.

E. Recall Limit/Procedure

- 1. An employee who is laid off will remain on the layoff list and be eligible for recall for twenty-seven (27) months.

2. No new employee shall be hired into a classification where employees are still on a recall list and a recall would restore an employee to their pre-layoff hours or benefit status.
3. In the event of a recall, the District shall notify laid-off employees of a position opening by certified mail, return receipt requested, sent to the employee's last address on record.
4. The person being recalled must inform the District of their intent to return to employment within ten (10) workdays of the date of mailing the recall notice to indicate their acceptance or rejection of the position and an additional ten (10) workdays in which to begin active employment.
5. Failure to accept the recall as per the above guidelines will be treated as a voluntary resignation provided the position being offered would either result in restoration of the employee's former monthly District insurance contribution or would restore the employees work hours to within one (1) hour per day of their former work schedule.
6. Employees who wish to waive all recall rights may do so.
7. It shall be the employee's responsibility to keep the District informed of their current correct address.

F. Benefits to Returning Employees

Employees returning from layoff shall have all previously accrued unused medical leave and seniority reinstated but shall not accrue benefits for the period of layoff.

G. Reinstatement of Hours

When an employee has experienced a reduction of one (1) or more hours per day, but the reduction does not constitute a layoff, consideration will be given to these employees when hours within the same job in the same building become available. Educational building needs will be the first consideration.

Article 13 - Discipline/Dismissal

A. Probationary Period

1. All newly hired employees shall serve a probationary period of one hundred eighty (180) contract days. Irrespective of the provisions contained in this article, an employee may be dismissed at any time during said probationary period without recourse through this CBA. Probationary classified employees shall be evaluated at thirty (30), ninety (90), and one hundred eighty (180) contract days before being recommended for continuance of employment.
2. The District maintains the right to evaluate an employee's performance as it deems necessary. Employees of the District shall have the right to be evaluated upon their request. Evaluations shall be done by the employee's designated administrator/supervisory employee. Only District administrators/supervisory employees may do evaluations of District employees.

B. No classified employee in the bargaining unit shall be dismissed, disciplined, reprimanded or reduced in rank or basic salary without just cause. All information forming the basis for disciplinary action will be made available to the employee and the Union at the employee's request. For the purposes of this bargaining agreement, disciplinary action is defined as a written reprimand, suspension without pay, withholding a step increment, and other disciplinary actions such as, but not limited to, dismissal.

C. In the event an employee is disciplined the following procedure will be utilized:

1. The employee will be informed of the basis of the disciplinary action. The employee will also be informed of their right to representation at any meeting that is disciplinary in nature (including all steps in this section) and provided with contact information for the Union chapter president or designee.
2. The employee will be given the opportunity to discuss the matter with their designated administrator/supervisory employee.
3. The employee may meet with the superintendent to discuss the matter.

D. Comments criticizing an employee at a board meeting shall be deferred to executive session for further consideration.

1. Dismissal because of unacceptable job performance will be initiated only after a review of the employee's job performance with their designated administrator/supervisory employee. The employee will be given a plan of assistance for improving performance and will be given a minimum of ten (10) working days in which to improve. If the employee has not improved

within that period of time, the District may begin progressive discipline that could lead to termination.

2. Dismissal of an employee requires approval by the superintendent, although such action may be at the recommendation of the designated administrator/supervisory employee.

Article 14 - Grievance Procedure

A. Definitions

1. *Grievance*

- a. A "grievance" is defined as a contention or claim by a classified employee, group, the Union, or class of employees based upon an interpretation, application or alleged violation of this agreement, board policy or administrative rule only if the disagreement cannot first be resolved by discussion with the building administrator or designee involved.

A "class" grievance may be filed only where the alleged violation affects a clearly defined class, (i.e., all classified employees in the District, all classified employees in a school building, all classified employees in a department and/or grade level). Two (2) or more classified employees with like kind grievances may join together in filing a single grievance.

4. *Party in Interest*

B. Purpose

The purpose of this grievance procedure is to secure, at the lowest possible level, solutions to the problems which may arise from time to time affecting classified employees under this agreement.

C. General Procedures

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by written mutual agreement.
2. All parties should attempt to complete the procedures by the end of the school year. The parties shall make good faith efforts to shorten the number of days provided at the various steps to finish by the end of the school year as defined by the employees working calendar and avoid, if possible, carrying the process into the summer vacation period or the following school year.
3. All parties of interest have a right to representative(s) of their own choosing at each level of these grievance procedures.
4. There shall be no reprisal by the District or the Union exerted on any classified employee or persons officially involved choosing to use these procedures for resolution of grievances.
5. Failure at any level of this procedure by the grievant to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level. Failure at any level of this procedure by the District to communicate the decision in writing on a grievance within the specified time limits shall be deemed a denial of the grievance at that level and permit the grievant to proceed to the next level.
6. All documents, communications and records of a grievance shall be filed in the District office separately from the personnel files.

7. While investigating any grievance, representatives of either party shall conform to building policies relating to visiting or contacting schools, classified employees or pupils. Every reasonable effort shall be made by all parties of interest to avoid interruption of classroom and/or any other school-sponsored activities. Also, every reasonable effort shall be made to avoid the involvement of students in the grievance procedure.
8. Each grievance shall be initiated no more than thirty (30) days after the occurrence of the cause for the complaint or thirty (30) days after the grievant may have reasonably known of the cause for the complaint. Any grievance not filed within this time line shall be deemed a voluntary waiver of rights by the grievant.
9. Each party shall pay any and all cost incurred by said party.
10. If the grievant chooses to pursue their claim on a single issue through the court system, the ERB or other outside agency the grievance procedure cannot be used and any decision rendered under this procedure will become null and void. Some parts of the grievance may remain appropriate under this article.
11. The filing or pendency of any grievance under the provisions of this article shall in no way impede, delay or interfere with the right of the building administrator, designee or the Board to take action being challenged subject, however, to the final decision of the grievance.

D. Levels

1. *Level One*

The Union by written

notice to the superintendent within fifteen (15) days after receipt of the request may submit the grievance to arbitration.

The decision of the arbitrator shall be submitted to the Board and Union and shall be final and binding on the parties. The costs for the services of the arbitrator, including per diem expenses, if any, travel and subsistence, and the cost of the hearing room shall be shared equally by both parties. - E. An employee may request copies of select pages. If possible, those copies will be made at the time of inspection. If the request is beyond the capacity to reasonably accommodate at the time of inspection the employee may request a certified copy of the personnel file. The certified copy will be made by the superintendent or designee and the employee will be charged, as per BOLI guidance, the cost reasonably calculated to recover the actual cost of providing the service.

Article 16 - Savings Clause

Should any provision of this agreement be declared null and void or held to be unenforceable by a court of law or other agency with appropriate jurisdiction, all other provisions of this agreement shall remain in full force and effect. The parties may meet to renegotiate such affected provision upon the request of either party in accordance with ORS 243.702.

Article 17 - Classified -Administrator Liaison

A. Building Liaison Committees

The building classified staff may elect a Building Liaison Committee for each school building. The OSEA building representative shall be a member of the Building Liaison Committee. The Building Liaison Committee shall meet with the building administrator during the school year at the written request of either party to discuss individual school problems and practices and to recommend the revision or development of building policies.

B. District Liaison Committee

There may be a District Liaison Committee comprised of local chapter members. The District Liaison Committee shall meet with the superintendent at the written request of either party during the school year to review and discuss current school problems and practices and the administration of this agreement.

Article 18 – Change in Job Responsibilities/Reclassification/Change

1. Should either the District, employee, or the Union believe that the duties the employee is currently performing are more properly within a different existing job classification, a proposed change will be brought to the next reclassification/change meeting. The reclassification/change meetings shall be during the following months: October, January, and April. A committee comprised of three (3) Union members and three (3) District representatives shall be appointed by each side to study the issue.
2. The Union and District representatives in the reclassification/change meetings will consider the merits of the reclassification request based on whether the majority of the employee's currently assigned duties/time more accurately matches their current job description, or the existing position proposed by the District, employee, or the Union.
3. The recommendation of the reclassification/change meetings will be issued in writing to the Superintendent within ten (10) working days of the above referenced meeting. The Superintendent will either approve or deny the recommendation and will issue a written decision within ten (10) working days of receipt of the recommendation. Approved reclassification will become effective on the date the Superintendent issues written approval, retroactive to the date the employee's request was made. No decision of the committee is subject to the grievance procedure.
4. Any bargaining unit work removed from an employee through this process shall still be performed by bargaining unit members.
5. Employees who move classifications can request their employment history, as documented in the latest employment application, be evaluated by the placement committee. There will be no decrease in step placement because of this evaluation.
6. Employees that have questions regarding their placement on the salary schedule may bring those questions to the reclassification/change committee.

Article 19 - Hours of Work/Overtime

A. Hours of Work and Overtime

1. The regular work schedule for all employees will be no more than eight (8) hours per day or forty (40) hours per week. Overtime shall be those hours worked more than forty (40) hours during the workweek (Sunday through Saturday). Overtime is calculated based on hours worked. Sick leave, vacation time, holidays, or other paid time during which the employee did not actually work is not a part of the overtime calculation. All overtime must be approved by the building administrator or designee. Upon request and with mutual agreement, the District may alter the work schedule. When working an altered work schedule, holiday pay shall be calculated based on the normal work schedule. Nothing in this article or any part of this agreement shall be construed as a guarantee of hours of work. The overtime rate shall be one and one-half (1½) times the employee's regular hourly rate. When a workweek includes a paid day off, the remainder of the week will not be adjusted to include 40 hours of actual work except by mutual consent.
2. An employee required or volunteering to work on a weekend, if not a part of their working calendar, shall be paid at one and one-half (1½) times the employee's regular hourly rate regardless of hours worked during the workweek.

B. Call Back

An employee shall be guaranteed pay for a minimum of fifty percent (50%) the number of hours of their regular shift when the District calls the employee to work at a time other than the employee's regular shift.

C. Extra Duty Compensation

When a building administrator or designee asks an employee to work beyond their normally scheduled shift and the employee agrees, they will be compensated by one of the following methods: flex time (adjust your work shift) or paid at your regular hourly rate. If hours exceed forty (40) per week, overtime or compensatory time will be paid with prior administrative approval.

D. Compensatory Time

Employees may elect overtime pay if budgeted funds are available at the above said rate or compensatory time at one and one-half (1½) times the employee's regular hourly rate. Prior to overtime work, the employee and the building administrator or designee should determine if compensation is to be in the form of compensatory time or additional salary.

E. Accrual of Compensatory Time

The maximum accrual of compensatory time is two hundred forty (240) hours (one hundred sixty (160) hours of straight time) for hours worked. All hours worked more than these limits must be paid in cash at the employee's overtime rate. Compensatory time must be paid upon retirement or termination.

F. Use of Compensatory Time

If an employee of the District has accrued compensatory time and requires use of that time, the District will permit use of such time within a reasonable period after making the request if use of the compensatory time does not unduly disrupt the operations of the District. Compensatory time must be used within the fiscal year of accrual. Unused compensatory time will be paid out on the last paycheck of the fiscal year.

G. Rest Period

Employees shall receive a fifteen (15) minute rest period as close to the middle of each four (4) hour work period as possible. Such breaks shall be scheduled by the employee's building administrator or designee.

H. Meal Period

1. Employees working six (6) or more hours per day shall take a minimum one-half (½) hour non-paid duty-free meal period as close to the middle of the workday as possible.
2. Employees working less than six (6) hours per day may schedule a non-paid duty-free meal period by mutual consent with their building administrator or designee.
3. As per BOLI wage and hour law, ordinarily employees are required to be relieved of all duties during the meal period. Under exceptional circumstances, however, the law allows an employee to perform duties during a meal period. When that happens, the employer must pay the employee for the whole meal period. The District and the employee, in this situation, will mutually agree to this condition on an annual basis.
