

October 25, 2024

Dear Parent/Guardian:

I hope the school year is off to a successful start for you and your child. I am writing this letter to let you know that The Academy at Lincoln has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. Per ESSA Section 1111(d)(2), schools are identified as TSI-AT schools in North Carolina because one or more of the following subgroups received a subgroup performance grade score at or below the highest identified CSI-LP school's All Students group during the identification year; and is on the TSI-CU list for the subgroup(s) for the previous year. Subgroup performance scores are provided for the following subgroups: (1) Students with Disabilities, (2) Economically Disadvantaged, (3) Black, (4) White, (5) Hispanic, (6) Asian-Pacific Islander, (7) Multi-racial, and (8) English Learners. This letter is to notify our parents and guardians of The Academy at Lincoln's intentions to improve educational outcomes for underperforming student subgroups and close achievement gaps for all students.

As a TSI-AT (ATSI) school, The Academy at Lincoln is required to develop an Additional Targeted Support and Improvement (ATSI) plan that specifically addresses how the school will improve outcomes for underperforming subgroups. The plan will also include strategies that our district or charter will employ to support The Academy at Lincoln improvement efforts. The ATSI plan will address the following areas:

- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for The Academy at Lincoln this year:

- By the end of the 2024-2025 school year, we will increase our reading, math, and science proficiency by at least 3 percentage points
 - 4-8 Reading from 65.5% to 68.5%
 - 4-8 Math from 60.1% to 63.1%
 - 5 & 8 Science from 73.2% to 76.2%
- By the end of the 2024-2025 school year, we will reduce the percentage of students who are chronically absent by 5 percentage points, from 14.6% to 9.6%.
- By the end of the 2024-2025 school year, we will decrease the number of lost instructional days due to suspension by 10% from 251 days to 226 days.

Here are some strategies that we will be implementing to improve student outcomes:

- Corrective Instruction implementation for content standards
- PBIS – Positive Behavior Intervention Support
- Attendance Intervention Team

Also, parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Ensure that both you and your child know the academic expectations set for your child this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call your child's school counselor if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your child.
- Make sure that your child is prepared and attends school each day.
- Monitor your child's homework.
- Monitor the progress your child is making and attend meetings with your child's teacher(s).
- Keep track of our website and social media sites.
- Volunteer.
- Join the PTA.

Additionally, listed below are a few resources available to help:

- Graduation requirements: www.ncpublicschools.org/gradrequirements/
- K-12 standards in academic subjects: www.ncpublicschools.org/curriculum/
- State student achievement test results: www.ncpublicschools.org/accountability/
- N.C. School Report Cards: <https://ncreportcards.ondemand.sas.com/src>

We are committed to improving student performance. It is important to remember that just as no single score or grade tells the whole story of a student, neither does it tell you everything about a school's performance or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. We're excited about this school year and are working to make it a success for your child. Already, we have:

- Improved our school attendance rate for students, compared to this time last year
- Decreased the number of lost instructional days for students, compared to this time last year
- Integrated opportunities to celebrate our students and their success or good choices

If you have questions about the content of this letter, please contact Mrs. Rogers at normanc@gcsnc.com.

Sincerely,

Chaundra Norman Rogers, Principal
