MENDENHALL MIDDLE SCHOOL
STUDENT INFORMATION

As part of Guilford County Schools' response to COVID-19, we are requiring that ALL staff, students, and visitors complete a simple health certification prior to entering any Guilford County Schools building.

If you have not pre-certified today, you may scan the appropriate QR code below to certify before entry. You will receive a PASS for the day to show to building staff.

Thank you for assisting in our efforts to protect the health of all.
