# FREE WORKSHOP

**For Parents/Caregivers** *Must be a Kansas resident to attend*

## What is PAX Tools?

PAX Tools is a collection of trauma-informed, evidence-based strategies to increase self-regulation, reduce problematic behavior, increase cooperation and improve relationships between parents and children at home.

## OVERVIEW

This presentation will provide parents with simple, proven tools or strategies to help their children ages 2 and up to be more cooperative and emotionally healthy. Parents will learn about ways to improve their child's behavior. Strategies for disciplining and handling challenging behaviors will be discussed.

**FREE**  
\$25 Amazon Gift Card  
for those that attend!
