The Lake Travis Independent School District is located alongside the south shore of the picturesque Lake Travis in the Texas Hill Country, about 20 miles west of Austin. Lake Travis High School (LTHS) is a 6A comprehensive high school serving approximately 3,700 students in grades 9 through 12. There are more than 70 student clubs and organizations on campus. In addition, a strong athletic program offers participation in 17 competitive sports. Students also have the opportunity to participate in band, cheerleading, choir, debate, drill team, orchestra, theater, UIL academics, and other fine arts programs.

LTHS operates on an alternating block format with four, 90-minute classes meeting every other day. Four grading periods or terms comprise the school year. Terms 1 and 2 make up the Fall semester from August to December, while Terms 3 and 4 make up the Spring semester from January to June. Most courses will meet every other day, all year (36 weeks). If a course is double-blocked, it will meet every day, all year and consume two of the eight total blocks.

Lake Travis High School offers more than 210 courses utilizing a multi-level curriculum designed to meet the needs of each student. Fourteen Pre-AP and 26 Advanced Placement courses are offered in English, math, science, social studies, computer science, other languages, music and art. A variety of career and technical education courses are offered on our campus. A special education life skills program is available to meet the needs of identified students.

Student Demographics

Grading System and GPA Scale

A 90-100 B 80-89 C 70-79 F Below 70

GPA (Grade-Point-Average) is calculated on a 100-point weighted scale with additional points awarded to Pre-AP/Honors, Advanced Placement courses, and Dual Enrollment courses.

Our listed 4.0 GPA is unweighted.

Both GPA scales are calculated using individual semester grades of all courses listed on the transcript with the exception of Middle School, Summer School, Dual Credit, Correspondence, and Credit By Exam grades.

We are a non-ranking high school. Lake Travis ISD Board of Trustees has adopted a policy that eliminates the reporting of class rank for all students with the exception of the top 10% of a graduating class as required by state law.

Class Rank and GPA Policy

A student's cumulative Weighted Numerical Grade Average is on a 100-point scale, begins at the end of the first semester of the 9th grade year, and is recalculated at the end of each semester.

100 point weighted GPA using the values shown below.
