Birthday: July 11

Favorite Children's Book: If you give a Mouse a Cookie  
by-Laura Numeroff

I love teaching because it is such a joy to watch children grow. It is amazing to see a child's curiosity and creativity lead them to exploring and learning new things.

When I am not at school, I spend my time with family and friends. I enjoy reading, running and finding new restaurants to try in Pittsburgh.

## **Mrs. Simmons**

412-366-7171 ext. 4215

[ksimmons@avonworth.k12.pa.us](mailto:ksimmons@avonworth.k12.pa.us)

Birthday: May 5

Favorite Children's Book: The Adventures of The Three Colors

The reason I love teaching is because I enjoy watching children's eyes "light up" when they discover something new. When for a quick moment, "Things make sense! They Get It!" It is simply magical!

When I am not at school, I spend most of my time with my family (Doug, Ethan, and Natalie) I enjoy walking every day. Reading quietly or watching movies... but most of all laughing, talking, and sharing time with my friends and family.

## Mrs. Udovich

412-366-7171 ext. 4213  
[judovich@avonworth.k12.pa.us](mailto:judovich@avonworth.k12.pa.us)

Birthday: March 25

Favorite Children's Book: A Visitor for Bear by Bonnie Becker

I love teaching young children for many reasons. I want to inspire children and cultivate their love of learning and their natural curiosity in and out of the classroom. I want to make a positive difference in their lives and show them the positive changes they can make in the world around them with kindness, creativity, and hard work.

When I am not at school, I love spending time with my family. My little girls keeps me very busy. I love to garden, read, craft, and create!

## **Mrs. Besterman**

412 366-7170 ext. 3300

[abesterman@Avonworth.k12.pa.us](mailto:abesterman@Avonworth.k12.pa.us)

Birthday: July 16

Favorite Children's Book: Wemberly Worried by Kevin Henkes

I enjoy teaching because I have the opportunity to ignite a spark in young minds with some idea or concept that they might apply in the future. Having the opportunity to teach science in the Primary Center has been one of the best experiences of my career.

Outside of school, I enjoy spending time with my husband, running, reading and meeting my daughter for weekly walks.

# Mrs. Battenfield

Favorite Children's Book: The Hungry Caterpillar

I love being a music teacher as it allows students to explore themselves and others in a creative environment.

After work, I love to cook and spend time with friends. I also love building lego's, going to theme parks and playing hockey.

## Ms. Stahl

412-366-7171 ext.

[jstahl@avonworth.k12.pa.us](mailto:jstahl@avonworth.k12.pa.us)

Birthday: November 11

Favorite Children's Book: Oh, the Places You'll Go!

I enjoy teaching STEM because I am able to incorporate Science, Technology, Engineering, and Math concepts! We have lots of fun learning with hands-on activities and thinking both creatively and constructively. Incorporating students' own unique interests as they learn about their world makes teaching exciting.

When I am not at school, I enjoy exercising, going to the movies, and spending time with my family.
