Registration will be completed online through your PowerSchool Student Portal. Please use these sheets to plan which courses you will sign up for in the online portal. You will be asked to select more classes than you will take, as not all courses may be offered each year based on student interest and staff availability. Most students will be scheduled for 15 courses, 5 each trimester. If you wish to change your course selections after you register, you will need to meet with your high school counselor. \*Please Note\* The master schedule is built based on student course requests. We cannot always accommodate change requests one the master schedule has been completed.
