Dear TCA Community,

The TCA Board of Directors would like to share some highlights from our February 10, 2025, Board Meeting:

Board Election
For this TCA Board election cycle, two candidates applied, filling the two open seats. The Board voted to cancel the election and appointed the incumbents, Mrs. Kelli Hawkins and Mr. Riann Heyns, to fulfill upcoming 3-year terms. Mrs. Hawkins has served on the Board for the last 3 years and Mr. Heyns has served for the past year, finishing an outgoing director's term. We thank them for their willingness to serve.

Celebrate TCA
In the spirit of service, the Board celebrated TCA's fundraiser for Ronald McDonald House Charities (RMHC). Our North Elementary third grade teachers shared a personal story of how they assisted at our local Briargate RMHC where they volunteered to cook and serve a meal. Furthermore, TCA High School students explained their upcoming activities for "Titans Give Week" to raise awareness and money for RMHC. Thus far, TCA has raised over $11K, with the majority of the fundraising efforts just beginning on all campuses. If you would like donate to RMHC, please visit TCA's RMHC donation site.

Job Fair
Dr. Thomason highlighted TCA's upcoming job fair on Saturday, March 1st from 9:00am to noon. This is an excellent opportunity for TCA to connect with potential faculty and staff who share our passion for education and our commitment to pursue truth, beauty, and goodness. If you know anyone interested in working for TCA, please encourage them to attend. See TCA's website for info or register for job fair.

Library Update
The North campus libraries and admin office are currently in a state of restoration. Demolition is underway on all three floors, with construction expected to start soon. The third floor is projected to be ready in late March or early April. Per Dr. Thomason's communication to the Community, a pause in typical library operations at North campus is underway. During this pause, the library material policies will be clarified. We will continue to partner with parents by adding a dedicated shelf for parent-permission books when the library reopens.

Capital Construction
Kevin Pacht, Director of Operations, announced the selection of Nunn Construction to design and build the additions at East Campus. Nunn Construction has built our auditorium and auxiliary gym along with our baseball field at North Campus. We are looking forward to the next phase of design.

As always, if you have questions, please contact us at talk2tcaboard@gmail.com.

Thank you,

Laura Moffat
Board Secretary
