2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.

- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.

- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Vision Statement was created in 2012.
The vision of Mount Pleasant Elementary is to be a high-achieving school and to set students on the path to the university.

Mission Statement was created in 2012.
Mount Pleasant Elementary is a diverse and dedicated community of life-long learners. We are committed to the success and empowerment of students by providing access to high-quality education, tailored instruction, and educational opportunities. We strive to accomplish this in a responsible, safe, respectful, and welcoming learning environment where the needs of all students are met and every child learns.

History
Mount Pleasant Elementary School is the oldest school in the Mount Pleasant School District. It first opened its doors as a schoolhouse in 1865 and was then relocated in 1915 to the current Moose Lodge on Marten Ave. Our current school on Candler Ave. was built in 1955. Our school is located near the eastern foothills of San Jose. The school is in an ethnically integrated residential community and most students live in single-family homes. There are very few commercial establishments and no industry within the district boundaries. Our school is next to Mount Pleasant Park and we have access to well-kept public tennis courts.

Our Team
Mount Pleasant provides classes from transitional kindergarten through fifth grade. The regular staff includes ten classroom teachers, a part-time music teacher, and a full-time Kinder instructional aide. In addition, the district provides a part-time psychologist, counselors on-site, health clerk, speech therapist, and part-time family case manager. We also receive counseling services through Alum Rock Counseling Services. Special education personnel at Mount Pleasant includes a half-time resource specialist teacher and a half-time instructional aide. Services provided under the Schoolwide Program include the Local Control Accountability Plan and Title I programs. School-wide funding provides additional services to students to improve academic achievement, computer literacy, and word processing. Every student at Mount Pleasant has one-to-one technology device access and hotspot upon request.

Curriculum and Instruction
Mt. Pleasant Elementary has invested high amounts of energy into improving instructional practices that align with the Common Core State Standards where our focus has been on offering students ample opportunities to collaborate, communicate, critically think, and use their creativity. Our school has fully adopted the EL Education curriculum and it is now utilized in 3rd-8th grade English Language Arts classrooms. In addition, we have also adopted Benchmark Advanced/Adelante curriculum to support our students in TK-2 grade in English and TK-5 grade in Spanish.

In regards to Mathematics, we are currently utilizing two Mathematics programs; Eureka Math and College Preparatory Math (CPM). In TK through fifth grade, all students are using the Eureka Math, which is also a Common Core aligned curriculum that challenges students to engage in Mathematical practices and concepts. We provide additional academic support to our students through intervention and English Language Development (ELD) classes and after school interventions. Our curriculum is tied to the Common Core State Standards. Report Cards are provided to parents three times a year. Student assessment data is gathered every year using standardized test results, benchmark assessments district assessments.

After School
We have the Mount Pleasant After School (MPAS) program that serves approximately 125 students from dismissal in grades kindergarten to fifth grade. This program provides additional support with academics, enrichment opportunities and physical activities and sports. Students receive a snack meal and participate in ongoing events throughout the year.

Intervention Support

2023-24 School Description and Mission Statement

We identify students at-risk through our assessment process and facilitate Student Success Team (SST) meetings with students' parents, classroom teacher, our district counselor, principal and psychologist. We determine what the student needs with input from all stake-holders and create a plan to help the student succeed.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The district adopted instructional materials aligned to the CA content standards. The district used a committee to pilot and adopt the most recent adoptions in English Language Arts in grades TK-5th grade and Mathematics in TK-5th grade. The district also adopted a Science and HSS curriculum aligned to the Next Generation Science Standards.

At the beginning of the 2021-2022 school year, the district had the annual Williams audit from the Santa Clara County Office of Education, there were no findings, and to date, there have been no reported insufficiencies. For this current school year 2023-2024, there are sufficient textbooks and instructional materials for all students.

Year and month in which the data were collected	January 2022

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark Advance for grades TK-2 (adopted Spring 2019) and EL Education for grades 3-5 (adopted 2017)	Yes	0
Mathematics	Eureka Great Minds grades TK-5, adopted 2016	Yes	0
Science	Amplify Science, adopted 2021	Yes	0
History-Social Science	Studies Weekly - American Legacy, adopted Spring 2021	Yes	0

School Facility Conditions and Planned Improvements

A safe and orderly environment is one of the top priorities of Mount Pleasant Elementary School. Through the efforts of the school custodians and Maintenance Department, the campus is kept safe and clean and projects an image of order. A climate for learning is maintained by an efficient use of time and resources. Personnel are effectively used and are specialized in their function. Interruptions and superfluous matters are kept to a minimum. Rules, discipline standards, and expectations are clear and consistent. Degree to which school buildings and grounds provide adequate space for teaching and learning (classroom space, playground space, staff space). Suitability of the facility as a learning environment including, but not limited to: cleanliness, building condition, lighting, heating and cooling systems, noise negation, condition of the school's fire alarm system, and the condition of the school's technology infrastructure. Although Mount Pleasant Elementary School is the oldest school in the district, it has been maintained and updated on a regular basis. The school was completely repainted during the summer of 2022, and new fences and gates have been installed around the entire school grounds. The Parking lot and kindergarten classrooms were fully renovated for the 2023-2024 school year. The school main office/administration building is being renovated and projected for use in February of 2024.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	23	20	22	22	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Contact Person: Brenda Almazan (PTA President)

Programs and organized activities/resources available for parental involvement are outlined below:

Parents are an integral part of our Mt. Pleasant Ida Jew Academy school community, and are welcomed as part of our partnership as an inclusive school model. Our School community strongly encourages parents and guardians to volunteer and be involved in their children's education. Th Principal is supported by both the PTA President and SSC Chair that work to support parent involvement and school community engagement.

Stakeholder parental involvement engagement/ input includes school site groups Parent Teacher Association (PTA), School Site Council (SSC), English Language Advisory Committee (ELAC) that each provide feedback and ongoing communication. All school meetings are open to the public and include translation services in support of parent input/ understanding.
- Parent Teacher Association (PTA) meets the fourth Wednesday every other month at 6:00pm via Zoom. PTA provides various activities for school wide distributions such as arts and crafts activities at home.
- The School Site Council (SSC) meets the third Monday of each month at 3:00pm via Zoom.
- Parents of students who are identified as English Learners are invited to attend English Language Advisory Committee (ELAC) Council meetings.

Additional Parental Involvement Engagement Opportunities/ Resources:
- Open House and Back to School Night are virtual events that are open to the community each year and are valuable opportunities to be informed of the year's path and progress.
- Parent-teacher conferences are scheduled twice a year once in the Fall and once in the Spring.
- Coffee with the Principal: Many parents attend the monthly "Coffee with the Principal" meetings via Zoom hosted by Mr. Gilbert Rodriguez. These are great platforms for becoming informed about upcoming events and great opportunities to ask questions, voice concerns, and hear from other parents and families.
- School Community Connection Newsletter: is shared bi-weekly via the school website and social media platforms in support of communication and notification of school events or support resources with in the school community.
- School Website: Updated with relevant and new information to provide parents an area of resource of the school.
- Social Media Engagement via the schools facebook page is also an area that parents can communicate and receive communication shared by the school.
- Mindfulness for Parents: Provided by Mindful Life Project workshops geared in support of parents during the school year to provide opportunities to engage in mindfulness
- Parent Wellness Survey is provided to parents to complete quarterly to gather input on the needs of parents as related to resource needs and COVID-19 support.
- Parent Academic Fair supported with MPESD.

C. Engagement	State Priority: Pupil Engagement
	The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5): • High school dropout rates; • High school graduation rates; and • Chronic Absenteeism

2023-24 School Safety Plan

The Safe School Plan was written by a representative group of stakeholders, including school staff and community members in consultation with law enforcement, to address the safety concerns identified by students, staff, and the community at the four elementary school sites in the district. This plan was updated during the months of January and February in 2017 and approved by our School Site Council in June 2017. The identified safety concerns were student attendance and suspensions. School climate incorporates issues related to character education and student resiliency. Safety plan updated annually

The updated School Safety Plan was viewed by the committee on 12/18/2023.

Our school incorporates the Positive Behavior Intervention Support System (PBIS) through the BEST program, which allows students to model positive behavior and be recognized for it. We have received training on PBIS and have District-Wide as well as a site-based BEST team to analyze student behavior data. Our school has adopted the BEST Behavior Program where three essential rules are followed: Be Safe, Be Responsible, and Be Respectful. When students are found breaking one of these rules, he or she is given time to think about their action, then asked what the best behavior should have been, and how to restore the broken relationships through restorative practices.

During the pandemic, our staff and administrators received SEL CREW training and Circle Up training. Our students' emotional needs are being met daily with daily implemented Crew meetings and DEIB lessons.

Data collected through the California Healthy Kids Survey, School Climate Survey, PBIS Survey, Crew Student Surveys, and parent surveys are used to help improve school climate and address any identified issues. Student assemblies have been held to address Kindness efforts and explicitly teach expected behaviors in the school setting.

Professional Development

The Mt. Pleasant School District has consistently focused their staff development efforts to address the needs of the students and teachers to increase student achievement, address the Social Emotional needs of the students, and support teachers to use Culturally Relevant instruction and behavior strategies to engage students academically. In the past three years, the professional development focus for teachers has been to support teachers with the implementation of the newly adopted English Language Arts and Mathematics curriculum.

Throughout the 2019-20 school year:
Teachers and administrators engaged in continuous cycles of inquiry with each of the school's leadership teams. Each school identified a problem of practice and implemented inquiry cycles using the Improvement Science framework to address their problem of practice. Each group received ongoing coaching support from PIVOT learning.

In partnership with the Eastside Alliance, every school had a team composed of teachers and administrators; the team received professional development on teacher efficacy. The goal is to engage across grade levels in the district and the feeder High School to address low student performance in Mathematics. The work will continue next school year.

During the 2020-2021 school year:

In response to the impact of COVID -19 professional development was designed in support of Distance Learning within the virtual education environment. Teachers and staff were provided training that best supported the needs of Distance Learning through the Learning Management System (LMS) Canvas and associated professional development to support student access and engagement. Detailed below is an overview of district wide provided professional development in union with the Mt. Pleasant School District. The Instructional Technology Learning Cohort (ITLC) a group of teachers comprised of all respective schools in the MPESD also provided support through integrated teaching and learning.
