Parental Movie Consent Form

The Clark County School District Board of Trustees believes that movies, videos and other audiovisual materials are important tools in the educational process. At the same time, the Board believes that the use of movies and videos should be limited so that they are used legally and appropriately in achieving legitimate educational objectives. Therefore, the Clark County School District policy, Use of Commercially Produced Video Recordings, promotes the appropriate educational use of movies and videos in schools by maximizing classroom instructional time, encouraging parental participation in the education process and fostering community values. (See Policy 2570)
