General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. - For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/. - For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/. - For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Robert Sanders Elementary School is situated in a residential community near the east foothills of San Jose. There are 16 classes for students from TK/Kindergarten through 5th grade consisting of both general education and special education classes (Special Day Classes: one MMSN K-3, one MMSN 3-5, one ESN-SDC K-3 and one ESN 2-4). We have an ethnically diverse student body with an approximate school population of 349 students.

Our mission is to create an atmosphere of continuous social and academic growth, where personal responsibility, respect, and effort are valued in a safe, supportive, and motivating community. Our Vision is "All students will grow..."

Meeting the social emotional needs of our students is a priority of our staff. Students' days start with morning meetings where the students have time to process and understand the world we are living in. We are focusing on teachings that incorporate diversity and inclusion, and facilitate courageous conversations with and among our students. Students are engaged in practices that bring the community together, promote shared understandings, and encourage all to become part of a common community through building positive connections. The structure of these meetings allow for relationship building and character development.

Curriculum and Instruction: We are in our seventh year of becoming an Elementary AVID school, where our AVID (Advancement Via Individual Determination) mission is to close the achievement gap by preparing all students for college readiness and success in a global society. We are implementing strategies and skills beginning in TK/ Kindergarten that will prepare our students for academic success, through college and career readiness skills. Our students get to experience advanced technology with progressive teaching and learning techniques through mobile applications, trained educators and Chromebooks and iPads for students. We provide additional academic support to our students through an Intervention teacher after differentiated instruction.   We have counselors and a part time family case manager to support our students and families. Robert Sanders teachers offer comprehensive and thematic lessons in language arts, math, science, and social studies through the use of Project Based Learning. Through project-based learning and our EL and Benchmark Curriculum, students tackle a challenging academic curriculum in ways that are engaging, meaningful, and adaptable to a variety of learning styles. Our curriculum is tied to the Common Core State Standards. Report cards are provided to parents three times a year. Standardized test results are provided to parents as soon as the state sends them to the district (CAASPP).

Response to Intervention (RtI): We identify students at risk through our RtI process and hold Student Success Team (SST) meetings with their parents, classroom teacher, counselors, principal and psychologist. We determine what the student needs are with input from all stake-holders and create a plan to help the student succeed. All decisions and plans are based on data. We currently have targeted students receiving additional reading intervention with up to two days a week for thirty minutes in small groups. These groups are selected through assessment data. In addition, Reading Partners provide reading support for those students who are reading below grade level. The Mindful LIfe Project is also on campus providing instruction for students' social emotional learning.

School Discipline: We are proud of our school and its commitment to quality education. We have high expectations and believe that all children can and will learn. Our discipline is fair, consistent and research based. Our school adopted the BEST Behavior framework to model positive behavior for our students, and base everything on three principles: Be Respectful, Be Responsible, and Be Safe. We promote a sense of school pride in all students by recognizing student achievement and progress. We focus on making our school a positive learning environment in order to set the foundation for student achievement.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Our classrooms provide adequate space for our students. In addition to classrooms, classes have the use of the library and our multipurpose room. We have a large playground with a large play structure, basketball courts, and tether balls. In addition, we have two baseball diamonds and a large lawn area. We have a small playground structure in a separate Kindergarten playground area. There are Chromebooks and iPads available for all classrooms. Each K-5 student has an assigned iPad/Chromebook.The facility has wireless capability. Every teacher has a laptop, projector, and an Apple TV. The students and staff have an extensive list of learning applications to support instruction. The updated central heating and cooling systems maintain a comfortable environment. The campus grounds are expansive and have a generous amount of play areas. Cameras were installed in and around the school building to increase safety.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Robert Sanders Elementary School is a community school. Throughout the year our doors are open for parent involvement, and parents are visible on campus. Our families have open communication with our staff via parent-teacher conference, Google Meet, Zoom, emails, and phone calls.

Our PTA is active and has formal meetings throughout the year. They collaborate regularly to discuss, plan, and implement upcoming events and support our academic program.

We partner with Alum Rock Counseling Center, which offers a program that targets high-risk youth and their families. The goal of ARCC is preventing, reducing, and eliminating mental health issues that may be inhibiting academic success and family wellness. In addition, MPESD offers a series of Parent Academic Fairs that cover a variety of educational topics and parental education.

We also have an active School Site Council that monitors the Single School Plan and school budgets. We have an active district-wide English Language Advisory Committee.

We have a part-time Family Case Manager who assists in helping to connect families to our school community and resources they may be needed.

2023-24 School Safety Plan

Robert Sanders Elementary School believes in the philosophies behind the Peacebuilder program. We have also incorporated BEST practices (PBIS-Positive Behavior Intervention and Supports), and focus on three overall expectations (Be Respectful, Be Responsible, and Be Safe). Our School provides a safe and engaging learning environment. We have various preventive efforts such as activities that focus on improving our school climate. Students are recognized for good attendance, demonstrating PeaceBuilder/BEST principles, and academic success through out the year.

We have both a before and after school program to provide additional supervision and support for our students. The Sunrise Club enrolls approximately 37 students and provides morning enrichment activities to start the students day off with a positive school relationship and connect. The Mt. Pleasant After School Program (MPAS) enrolls approximately 130 students. This free program provides a homework center, enrichment activities, and academic support.

The staff received training from the Center for Racial Justice in Education, whose mission is to train and empower educators to dismantle patterns of racism and injustice in our schools and communities.

Robert Sanders provides a safe and engaging learning environment for all of our students. The school has a camera system throughout our entire campus to monitor activity. The facility is surveyed for any safety concerns including graffiti and issues are promptly resolved. Emergency drills are held monthly to ensure students know and can use safety procedures in case of an intruder on campus, a fire or an earthquake.

Comprehensive School Safety Plan was last approved by the board on 02/13/2023.
