

Anthony Distance Learning

Information & Directions

In the event of inclement weather or other reasons, Anthony Middle School will **not** transition to Distance Learning unless there have been two (2) prior school closures due to weather conditions. **Starting on the third school closure, Anthony Middle School will implement a Distance Learning Day, and families will be notified accordingly.** This is determined by district leaders at Minneapolis Public Schools, not at the individual schools.

WHAT IS NEEDED

- Any device (phone, tablet, ipad, computer, laptop)
- If your child does not have access to any of the above devices, please complete a [Chromebook Permission Form](#) and turn it into Ms. Jennifer Nevers, the library media specialist, who will then issue your child a Chromebook.

WHAT IS EXPECTED

1. Answer the attendance question for each class by 3:00pm.
