Tiger Tales

Dear TCK Families,

Welcome to our March newsletter. For those college basketball enthusiasts, March Madness is underway. March is also known for St. Patrick's Day. For us educators, March is the longest month with no breaks. Please keep us in your positive thoughts and prayers. As always, your help and support is graciously appreciated!

We are excited to share all of the fun activities planned for our students and families. As we gear up for State Testing in the month of April, please encourage your students to get a good night's rest. More information about State Testing for students in grades 3-8 to follow.

Please let me know how I can be of assistance.

In community,  
Dr. Hill-Valdivia  
Principal
