

Arcado Elementary School

Easy Steps for Parents to use ParentVue

ParentVUE®

powered by  Synergy®

Welcome Parents!

- The ParentVUE app gives parents access to grades, assignments, and more!!
- **Everything in One Place** - Access student information including: grade book data, discipline, report cards, calendars
 - **Class Schedule** - Check your student's schedule and teacher name
 - **Grades and Assignment Scores** - Check performance immediately to learn about missing assignments
 - **Course History** - View final grades for all grade levels
 - **Customizable Grade Alerts** - Opt-in to get mobile notifications about student grades and overall class averages
 - **Fees** - Find fees that are owed and what textbook/library books, or Parent Center materials are checked out by your student

You can log into the ParentVUE App with the same information you use to log in on a computer or mobile browser

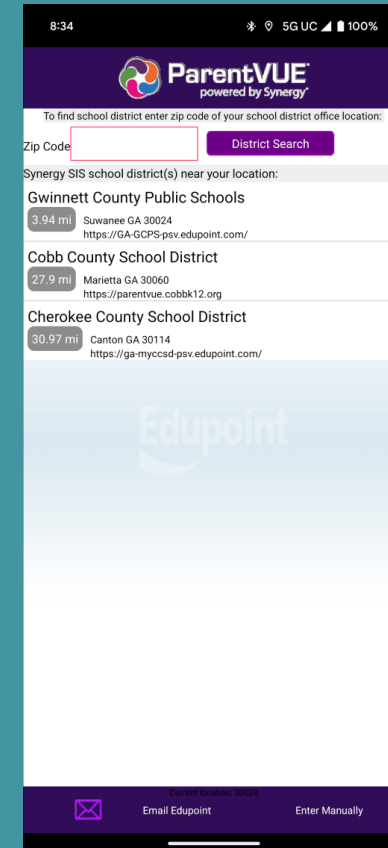

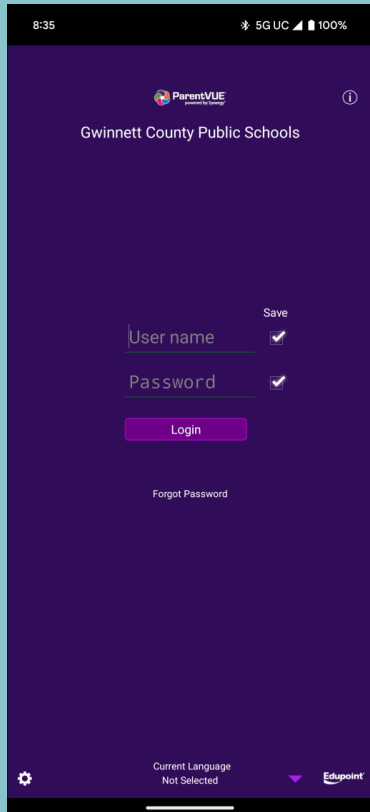

The User name is your email address on record with the school

Logging into ParentVUE

The ParentVUE mobile app is available in the [Google Play](#) store for Android Devices and the [App Store](#) for Apple (iOS) devices.

Once the app is downloaded, open it and swipe left to choose your school district.

If enabled, the app will use location services to find the closest districts, but you can also enter your zip code to search.

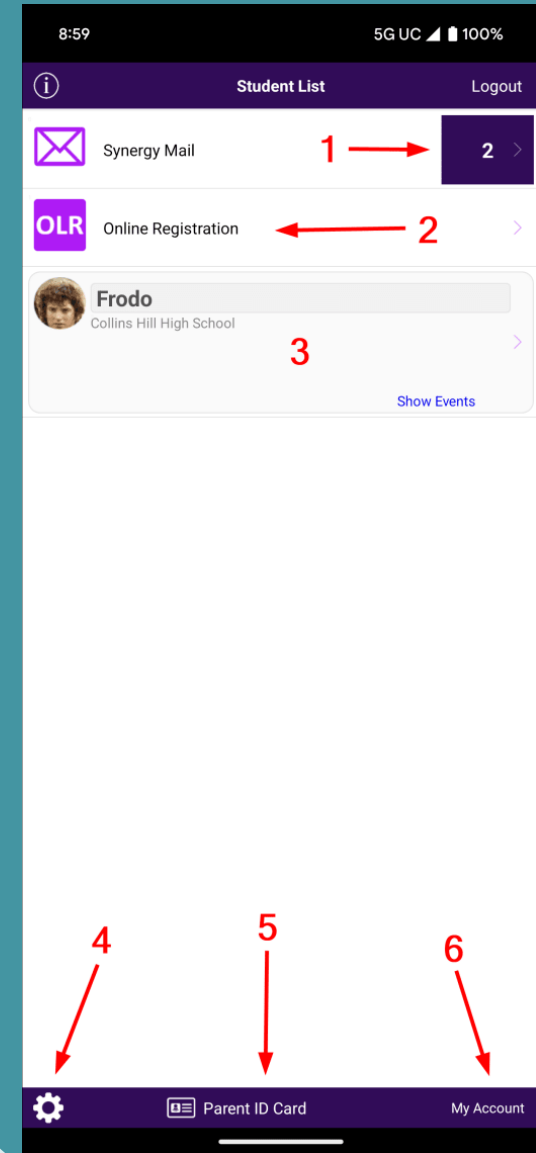

App Home Screen

From the app home screen, parents can:

1. Open **Synergy Mail** and read parent communications, including progress reports
2. Open **Online Registration (OLR)** and begin the process of registering a new student
3. Tap on your Student to view detailed **Student Information**
4. Tap on the **Gear** to enable Assignment and Average **Grade Notifications**
5. Tap to open the **Parent ID Card** to get a QR code to use with **KioskVUE** attendance station for student Check-In and Check-Out
6. Tap **My Account** to view parent account info such as address, email, and phone number.

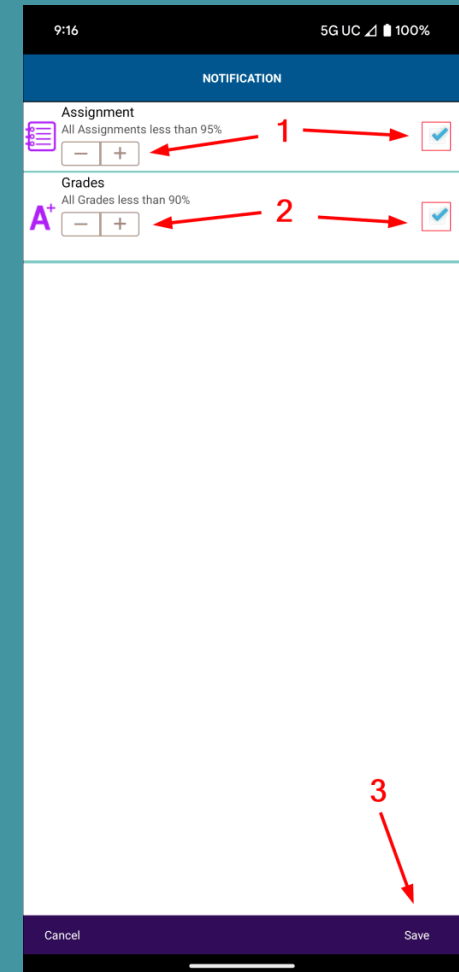

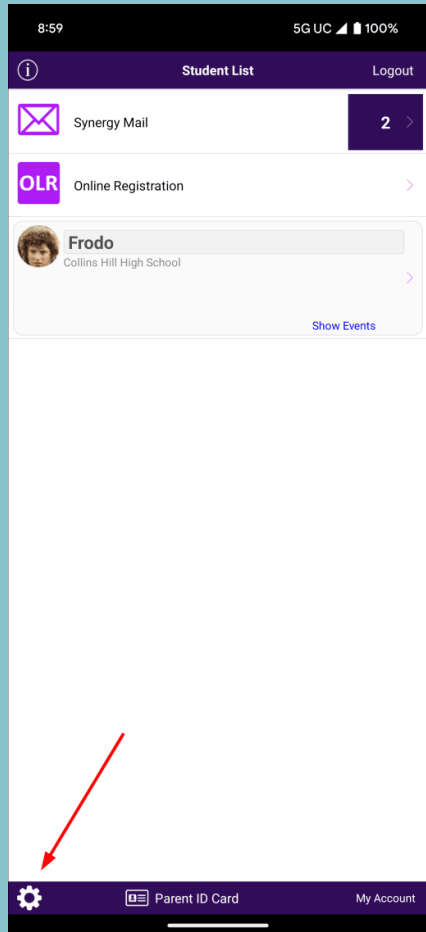

Note: This info can only be updated by the local school

To enable mobile grade notifications, tap on the gear in the bottom left of the [App Homes Screen](#) (Note: Grade Notifications are sent at 5:30 pm nightly.)

Grade Notifications

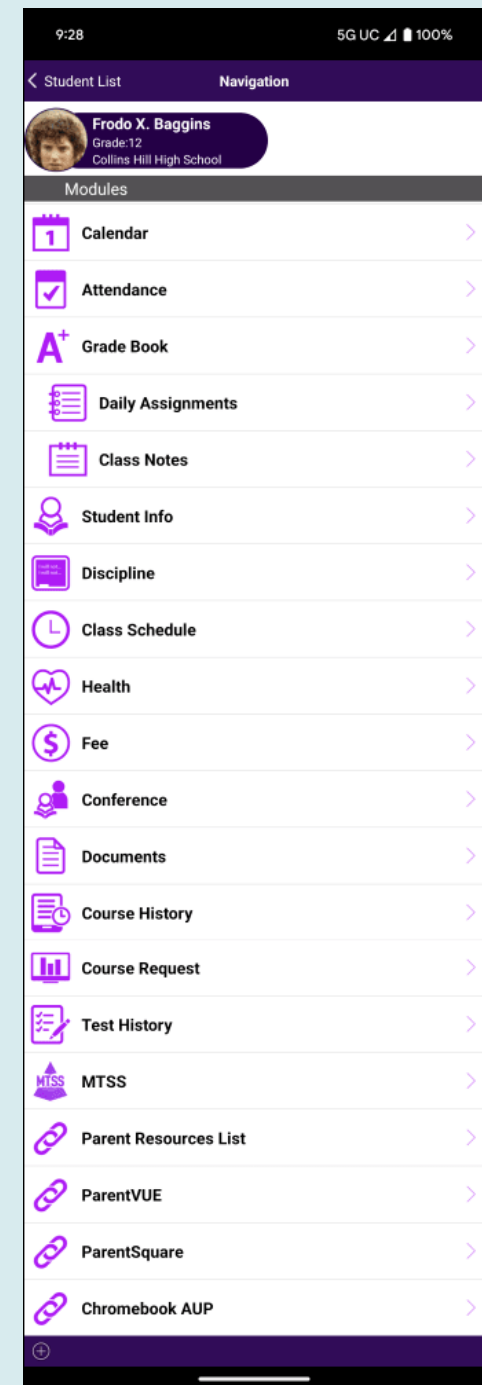

1. Tap the checkbox to enable notifications for any new **Assignment** grade. You can set a threshold to only receive notifications for assignment grades below a set score/grade.
2. Tap the checkbox to enable notifications for any new class **Grade/Average**. You can set a threshold to only receive notifications for class averages below a set score/grade.
3. Tap **Save** to return to the [App Home Screen](#).

Student Information

On the [App Home Screen](#), tap on a student to access detailed **Student Information**.

1. The **Calendar** screen displays the essential details of the school day, such as district and school holidays and events for the selected student. It will also display assignments from that school day.
2. The **Attendance** screen displays all the days the student was marked absent or tardy and the date for the entry.
3. The **Grade Book** screen keeps track of the student's grades, assignments, and posted test scores.
4. The **Daily Assignments** screen displays assignments from the current day.
5. The **Class Notes** displays any notes taken by the current student.
6. The **Student Info** screen displays the student's demographic information, emergency contacts, and physician information.
7. The **Discipline** screen displays a list of all discipline incidents.
8. The **Class Schedule** screen lists the information for each class period, course title, room name, teacher, additional staff, and meeting days.
9. The **Health** screen lists the student's visits to the school nurse, their health conditions, and immunization record.
10. The **Fee** screen displays a summary of fees owed and paid.
11. The **Conference** screen displays information about parent/teacher conferences for the student, conference history, and upcoming scheduled conferences
12. The **Documents** screen displays all documents attached for the student. Tap a document to view it.
13. The **Course History** screen displays all of a secondary student's courses, the grades received for all years and all schools, the cumulative GPA, and graduation ranking.
14. The **Test History** screen displays the student test scores with the test part, score, and year information.
15. The **MTSS** screen displays student support information (Multi-Tiered System of Supports).
16. The **Parent Resource List** provides direct links to several useful GCPS resources.
17. The **ParentSquare** link provides a direct sign-in to the user's ParentSquare account.
