

Respite Care Services - At Adriel

- ✓ Respite care provides **short-term, temporary relief** for caregivers of youth, offering them a **break** from their **caregiving responsibilities** while ensuring continued care for the child.
- ✓ Respite care can be **scheduled** in advance or provided during emergencies and **times of crisis**.
- ✓ Our respite program gives caregivers the opportunity to **rest, manage personal matters, or handle emergencies**, supporting the **stability and preservation of the family unit**.
- ✓ Respite care has been shown to **support** the caregiver's health and well-being, **help prevent or delay out-of-home placements**, and reduce the risk of abuse and neglect.
- ✓ Adriel offers licensed **treatment and family foster homes** for respite care across **30+ counties** in Ohio.
- ✓ Adriel foster homes provide respite care for durations ranging from a **few hours to up to 30 days**.
- ✓ Adriel is a **behavioral health respite** provider for both **CareSource of Ohio and Aetna OhioRISE**.
