**\*\* Alternative Method of Instruction (AMI) days (virtual learning) will be used for the first 5 inclement weather days. A 6<sup>th</sup> AMI day was used on February 19, 2025, per DESE guidelines revised during the 2024-25 school year. Additional inclement weather days will be added to the end of the year as needed. (Average number of snow days in the last 5 years is 6 days.)**

**Missouri State statute requires districts to meet a minimum of 1,044 student hours of instruction a year. Calendar adjustments can be made per DESE guidelines.**

The District strongly recommends that parents/guardians and employees refrain from making vacation and other travel plans without considering the possibility that the school term will end later than anticipated due to required make-up hours.
