

OAKDALE JOINT UNIFIED SCHOOL DISTRICT

12.7

TO: Larry Mendonca, Superintendent Regular Meeting  
SUBJECT: Approval of Second Interim Report and the March 10, 2025  
Positive Certification as of January 31, 2025

---

BACKGROUND

In accordance with the Education Code Section 42130, the Board of Trustees is required to certify no later than 45 days after the close of each reporting period whether the District will be able to meet its financial obligations through the current fiscal year and subsequent fiscal years.

ANALYSIS

The District will be able to meet its current financial obligations for the current fiscal year. If the State makes no changes from the current projections, we will be solvent for the two subsequent years. If the State makes budget reductions, then the District will take appropriate action and we will still be able to meet our financial obligations.

FISCAL IMPACT

Revenue for the General Fund has increased from the last financial report, First Interim, by \$22,988. Expenditures have increased by \$2,501,261.

RECOMMENDATION

It is recommended that the Board of Trustees approve the Second Interim Report with a Positive Certification.
